### President's Appeal.

The President dwelt strongly on the  
necessity for the Branch, either in peace  
or war. If they in Glin didn't derive any  
benefit they were helping humanity by  
having the Branch formed. He exhorted  
all present, particularly the male mem-  
bers, to attend the very important lec-  
tures given by Dr. Barrett on First Aid.  
Should the occasion arise that wounded  
persons were at Glin or elsewhere the  
men should be in the forefront to aid  
the wounded. The women would come  
in after in the matter of nursing. He  
also said that it would be necessary to  
have cars ready when needed to convey  
the wounded to hospitals.

### Cars Offered.

The Knight of Glin said he would give  
his car and driver when required, as did  
Mr. B. Walshe and Mr. T. Curry, who  
were also present. The meeting expres-  
sed confidence that those who were not  
present and who had cars would will-  
ingly give them to the Branch. The  
Knight also offered his house to hold an  
entertainment to provide funds locally.

### Working Group.

The President explained in very simple  
terms the rules with regard to the work-  
ing group, that the material for making  
the garments would be supplied from  
headquarters, Dublin, and should be  
completed and sent off without delay.

### Delegate to County Branch.

Madam Fitzgerald was selected as  
delegate to represent Glin and District  
Sub-Branch at the monthly meetings of  
Limerick County Branch. It was deci-  
ded to hold weekly meetings locally, on  
Thursdays, at 8 o'clock. A vote of  
thanks was passed to his reverence for  
presiding, and to the Knight of Glin,  
Messrs. Curry and Walshe for their offer  
to give their cars and drivers when  
needed.

### Funeral.

The funeral of Mr. John Foran, far-  
mer, Deenrish, Glin, took place on Mon-  
day, to Kilfergus Churchyard and was  
largely attended. Rev. Father McCarthy,  
C.C., officiated at the church and grave-  
side.
