Foynes Regatta is the one sure drawing-card. This year the committee have put forward a splendid bill of fare. I will just give you a few of the outstanding numbers

The yacht race for Imperial Airways Challenge Cup, 120 metres breast stroke (North Munster Championship). Squadron Races (a) open, Perpetual Cup; (b) Rowing Clubs, Perpetual Cup. A water polo match and a diving exhibition by Eddie Heron, ex-British Isles and Irish titles holder. The war prevented him from competing this year. Three of the city swimming clubs will be seen in action. Of course, there will be bands as usual and all the regular events that go to complete a regatta programme. A variety concert will be held in the New Hall that evening. Special trains will leave Limerick at 1.30 and 2.30 p.m.

Scholarship.

Miss Kathleen O'Donovan, daughter of Mrs. O'Donovan and the late Mr. James O'Donovan, Tubrid, Shanagolden, won a scholarship from Shanagolden Technical School to Coolarne, School of Domestic Economy, Athenry, for twelve months. Results like this ought give a great fillip to the attendance at the Shanagolden Technical School. Water will rise to its own level. Give the young boys and girls a chance of showing what is in them. Education generally leaves its mark in one way or another. What exercise and work are to the body training is to the mind. The education provided in the technical schools is first-class. We should all be trying to learn more and more every day; there is so much to be learned and the time is so short.

Legion of Mary Outing.

On Sunday last the Foynes Praesidium of the Legion of Mary took a day off and went to Ballybunion on an outing. The intention was to cross the Shannon to Cahercon. I happened to be in Ballybunion that day and I was surprised to meet the Legionaries on the strand, but I ought to have guessed that the ladies would not be in Cahercon unless the water was like a sheet of glass. Two of the members, Rev. Fr. Quinlan, C.C., and
