

OBITUARY

MR. T. O'CONNOR, HIGHMOUNT.

We regret to announce the death of Mr. Thomas O'Connor, which sad event took place at his residence, Highmount, at a comparatively early age. Although his death was not unexpected, as he was ailing for some time back, it came as a great shock to his family and friends. He bore his illness with the greatest patience and resignation to God's Holy Will. He was very popular with all classes. Honest, upright and straightforward, he was a willing worker and a generous subscriber to any cause when needed. He was a neighbour's best friend. Few were his compeers to give a helping hand when in trouble or distress. He was a prominent figure in the hurling and athletic field, and captained his own team in his young days. His coffin was draped with the Tri-Colour and shouldered by the Feenagh Hurling Club as a mark of respect to his memory. His remains were removed to Feenagh Church on Thursday evening of last week and were interred at Castletown Cemetery on Friday in the presence of a large assemblage of mourners. Rev. Father Murphy, P.P., and Rev. Father O'Dea, C.C., officiated. To his grief-stricken wife and young family, as well as to his brother, sisters and relatives, we tender our very deep sympathy.—
R.I.P.

THE GUARD WON!

On the evening of November, 1920, a military train with stores for transmission arrived at the Limerick Railway Station. The stores were placed in the usual vans of the Kerry goods train the following morning. Before the hour for departure an escort of military arrived to accompany the consignment. The train, however, refused to stop for the military and they withdrew.

DRIVERS PAID OFF.

About this time several drivers were paid off in Limerick for refusing to drive tramcars for the armed forces of the British. On the afternoon of November 19, a dozen armed policemen were stationed at Limerick Station and before the 3 o'clock passenger train started they were informed that the train would not start while they were on duty. At 3 o'clock a District Inspector ordered his men to proceed, which they then proceeded to do. Two drivers were paid off for their refusal the previous evening for their refusal.
