Forty Members.

Forty members in all presented themselves, including representatives of each Local Security Force first aid unit. The Herbertstown candidates were accompanied by Rev. Father Fitzgerald, C.C., whose interest in every phase of activity in the parish is an incentive to all associated with him.

Lecturer Congratulated.

Dr. M. Feely, Limerick, examining surgeon, warmly congratulated the lecturer, Dr. John Cleary, on the high standard attained, adding that he was very pleased to have to say that on the excellent answering he had received and the splendid practical work he had seen the candidates perform, he had not the unpleasant duty of having to fail a single one.

Gratifying Result.

This eminently gratifying result ought be a great encouragement to all those in the district who are working in different ways to prepare themselves for a possible emergency, and apart altogether from the contingencies resulting from a state of war the fact that there are now in the district forty people qualified to render assistance to those suffering from accidents is in itself an admirable outcome and a fruitful result of the young peoples' efforts.

Late Miss O'Callaghan.

The death took place at her residence, Castlefarm, recently, of Miss Mary O'Callaghan, sister of Mr. Michael O'Callaghan, at a fairly advanced age. A lady of quiet and unassuming disposition, industrious habits and kindly, warm-hearted nature, she was extremely popular in her immediate neighbourhood. There was a large attendance of parishioners at her interment, which took place in the local cemetery. R.I.P.

Wheat Planting.

Following the advice of the nation's spokesmen, there has been a much increased demand for seed wheat, and tractors and ploughs have been busy for the past month breaking fresh ground or preparing last season's gardens. The absence of frost so far has been of help to the germination of the seed, and in many fields the young shoots are well over the ground.

Fancy Price For Turkeys.

Housewives who reared stocks of that delectable Christmas bird, the turkey, this year are being compensated for the indifferent prices paid for years back. Herbertstown Co-Operative Store on Friday last at their weekly market bought up large numbers of birds at the
