

discuss the matter at the

We won't allow discussion moment in order to avoid the case. The referee states coming off the field he was one of the Glin supporters. A very serious thing and I for as far as possible to see that ad. I propose that the referee be asked to look into the matter and to having the greatest within the law meted out. The referee has a responsibility he should not be assaulted. I intend to ask the Guards to look into the matter and to find out the truth and to have the guilty punished by the ordinary courts.

We are not admitting by any means that the person who struck me was a Glin supporter. I want to put the matter beyond all doubt.

I then asked if it would be possible for the Board to hear the case.

Are you prepared to waive your notice?

Mr. Minns—It is not in your power to do it.

After discussion it was agreed that the referee's decision in favour of the referee mentioned in the referee's report should stand.

REFeree'S STATEMENT.

In his statement Stephen O'Donnell said he was struck by an opponent while fielding the ball. When the ball he made a comment to the referee, who immediately asked him to leave the field. He replied that he would like to point out that he was endeavouring to play the game under the rules and that the referee appointed for the occasion was not the referee appointed for the occasion. He then explained the circumstances which led up to the appointment of the referee. Originally, he said, Mr. Hough was appointed but he informed him that he could not do it as he was endeavouring to get to the game. Mr. Hough (Jelly, Ardagh, for the job. Mr. Hough nor Mr. Hough (Secretary) arrived at Askeaton and he then appointed Mr. Hough (Secretary) who had full power to appoint the referee under the rules and circumstances.

Mr. Hough (Secretary) said he was well aware that the referee had power to appoint the referee and he wanted to make it quite clear that he lodged a protest against the referee's appointment on the field.

The matter was not further discussed and was referred to the next meeting of the Board.

KNOCKADERRY NOTES

(From Our Correspondent).

Transfer of P.P.

The news of the transfer of the Rev. Father Leahy, P.P., was received by the people of Knockaderry and Clounecagh with deep regret. Since Father Leahy came to the parish four years ago he endeared himself to the people, and took a kindly and sympathetic interest in the temporal as well as the spiritual concerns of his flock.

Needed Works.

He carried out some needed church works, principally the erection of a memorial to the memory of the late Very Rev. Canon O'Shaughnessy, and it was only recently that he paid a tribute to the generous response of the parishioners at all times to his appeal for funds.

Farewell Words.

At first Mass at Knockaderry on Sunday last, when Father Leahy spoke just a few words in reference to his departure, the members of the large congregation present were very visibly affected. He takes with him the best wishes and prayerful blessings for many years of happiness in his new parish. Knockaderry's loss of a kindly sagart aroon is the gain of the people of Bulgaden.

Recent Death.

The death of Mr. Terence O'Riordan took place at Ballinacree on Tuesday morning, May 27th. Deceased, who was a member of an old and highly respected stock, lived to a fine age, and was always of a retiring and deeply religious disposition. The attendance of the general public at the removal of the remains to Knockaderry Parish Church on Tuesday evening was large and representative, as also was the funeral to Clounecagh Cemetery on Wednesday. Rev. Father Leahy, P.P.; Rev. Father Boyce, C.C., Knockaderry, and Very Rev. Canon Fitzgerald, P.P., officiated at the obsequies.

Where's That Work?

When the Limerick County Council turned down an application from their workers for an increase of wages some months ago, the workers were consoled by the promise that there would be more work at the old rate of pay. Five months of this year have sped away and some
