to approval from Dublin. On the sec-
ond day Mr. Ferguson visited him he
told him that the contract entered into
was not ratified in Dublin.

The Justice said he was quite satisfied
that Mr. Ferguson made it clear to Mr.
Hayes that the contract was subject to
his superiors' approval in Dublin; in
that case the contract was invalid, when
not approved in Dublin. There was a
certain amount of repairs carried out
by the plaintiffs for Mr. Hayes, and he
would allow out of pocket expenses,
plus the cost of the weights, making a

DEATH OF MISS K. QUILLIGAN

General regret is felt at the death of
Miss Kathleen (Kitty) Quilligan, which
took place yesterday morning at her
home, 20 Island Road. A member of a
much-esteemed family, she was daughter
of Mr. and Mrs. James Quilligan, and
sister to Rev. Bro. Eugene, of the Order
of St. John of God. The late Miss
Quilligan was a young lady of charming
personality, and her death at the early
age of 20 years is a sad blow to her
very many friends.

The funeral took place to-day from
St. Mary's Parish Church to Mount St.
Laurence Cemetery, and the very large
number of mourners in the cortege gave
some indication of the extent of the re-
gret felt at her death, and the sympathy
felt for her bereaved parents and rela-
tives.
