The number of wet days recorded was 21 as against 16 last year, when only 1.5 inches of rain fell for the same month.

Remarks—A fairly wet month as was to be expected after a long drought. It came in time to improve materially the yield of beet and mangold crops, which are of vital importance to the country's feeding stocks.

POPULAR BANK OFFICIAL

The departure of Mr. J. J. Shanly, Bank of Ireland (City Branch) to Ballinrobe is regretted very much by a number of his friends in Limerick. He is a particularly obliging and courteous official. During the short period of two years while in Limerick he won the confidence of the public who had occasion to do business with him. They recognised that in Mr. Shanly they had a most capable official, whose marked business qualities were very noticeable, and they now wish him every success in his future sphere.
