family is also a medical student.

Christmas.
 Although overshadowed by the clouds
 of war, and perhaps gradually losing
 many of its ancient traditional customs,
 Christmas will, nevertheless, be celebrated
 in Irish homes this year in the same
 festive spirit as it has been in the past,
 the religious aspect of the Feast taking
 pride of place.

The Old Wish.
 To all readers of these Notes, at home
 and overseas, we sincerely wish a very
 happy Christmas, coupled with the time-
 honoured expression of Peace and Good
 Will.

TULLYLEASE NOTES

(From Our Correspondent).

L.S.F. Collection.
 A collection held at the Church gates
 and also throughout the parish, in aid
 of the above, met with a good response
 on Sunday last, and Group Leader B. J.
 Daly and Assistant Thomas Roche return
 thanks to subscribers for making the
 collection the success it was.

'45' Drive.
 At a '45' drive held at the Hall on last
 week for a turkey, over 48 took part in
 a most exciting game, in which Mr.
 Michael Browne was declared the winner.

Guard's Transfer.
 During the past week Garda Michael
 O'Flynn, who was stationed in Milford
 for the past nine years, was transferred
 to Dromcollogher. During his stay in
 Milford he made a host of friends and was
 a most courteous and very popular officer
 with all sections of the community. Tully-
 lease, which is under the Milford Garda
 district, also regrets his transfer.

Recent Death.
 We regret to announce the death of Mr.
 William Quirke, a native of Curragh-
 more, which occurred during the past
 week. His interment took place at Kil-
 leedy cemetery. R.I.P.

Fortify your Kidneys!

UNDER present conditions most
 people are easy victims to kidney
 complaints. Overwork and worry
 greatly increase the task of nature's
 filters. If they become congested and
 slacken, harmful impurities remain in
 the system and are carried by the
 blood stream to all parts of the body,
 setting up

tion of mineral and peat reso-
 development of fisheries, the b
 rural homes—all these and kind
 would increase the country's re
 to an outstanding degree. The
 prosperity, spreading directly
 directly through the whole ru
 munity (including the now
 Gaeltacht population) would be
 expansion of the internal mark
 kinds of home-manufactured g
 thus quickly relieve urban u
 ment."
