Dr. McPolin said that it would be very ... difficult to get machinery to deal with ... such a proposal. There was no alterna- ... tive but to cut down the quantity of milk ... or provide a supplemental grant.

Mr. Hogan—Would it be any use asking ... the Government for a supplemental ... grant?

Dr. McPolin—I'm afraid not.

Mr. McCormack said some of the people ... getting the milk might be able to pay ... towards the cost of it.

COULD NOT AFFORD TO PAY ANYTHING.

Dr. McPolin said that as far as the ... majority of people getting it were con- ... cerned they must get it free or do with- ... out it. They could not afford to pay ... anything towards the cost.

The Board decided to make a reduction ... in the quantity supplied so that the ... scheme could be continued to the end of ... the year.

OBITUARY

MR. GEORGE D. SPENCE

His many friends in Limerick will learn ... with the deepest sorrow of the death of ... Mr. George D. Spence, who passed away ... at his residence, Brooklawn House, Kil- ... kenny, on Friday last after a protracted ... illness. The deceased, who was married ... to a Limerick lady—formerly Miss Annie ... E. Hogan, daughter of Mr. John and the ... late Mrs. Hogan, Catherine Street—was ... for several years manager of the Limerick ... Labour Exchange prior to his transfer in ... a similar capacity to Kilkenny. Both in ... his official sphere and in private life he ... enjoyed, as he richly deserved, the highest ... esteem, confidence and respect of all ... classes. A man of very brilliant intel- ... lectual parts, he was an exceedingly com- ... panionable and lovable personality. He ... was of a singularly upright, honourable ... and kindly disposition, and had a par- ... ticularly attractive charm of manner. ... These and his many other good qualities ... and characteristics made him a special ... favourite in every circle in which he ... moved. To his bereaved widow, children ... and other relatives we extend our very ... sincere sympathy in their sorrow. The ... funeral took place yesterday to St. ... Kieran's Cemetery, Kilkenny. R.I.P.
