

Death of Mrs Walsh, Ballyhabill

With very much regret we announce the death of Mrs Margaret (Daley) Walsh, who passed away in St John's Hospital on Wednesday. The deceased, who was wife of Mr Robert Walsh, Ballyhabill, was a member of a highly respected West Limerick family, being a daughter of the late Wm Hishon, of Cragard, Shanagolden. She was herself a lady of admirable parts—sociable, kindly good hearted and charitable—and was held in the warmest regard by a very wide circle of friends and acquaintances.

To her bereaved husband and family and the many other relatives and friends we extend our very sincere sympathy.
