**DANDRUFF** is due to a mild chronic inflammation of the skin of the scalp. The inflammation may be present for many years, the only disturbance being a slight itching. The head becomes "scurfy," i.e., the horny cells of the scalp are shed in large numbers and form scales; and there is a tendency for the hair to come out. Each fallen hair is replaced by one thinner and weaker, until the hair is seriously thinned. Finally the hair roots become atrophied and baldness results.

The most effective remedy for this condition is **C.T.S. POMADE**. This Pomade positively eradicates dandruff, banishes irritation, and improves the growth and appearance of the hair. Suitable for adults or children.

Price, 2/- per Jar (post 4d.). To be had only from

## TWO DEATHS

### IN ONE FAMILY

A highly respected Limerick family suffered a double bereavement on Saturday, when Mr. Michael J. Brennan and his niece, Miss Aileen F. Kelly, died at the latter's residence, 4 Violet Villas, Limerick. Mr. Brennan who had reached an advanced age, was for over 30 years buyer of the silk department of Messrs. Cannock and Company. He was one of the oldest employees in the drapery trade of Limerick. He had been ill for some time past.

Miss Kelly, who was a native of Kilkenny, had resided with her uncle, and she also had been ill for some short time.

Deep sympathy is felt for Mrs. Brennan and the other members of the family in their bereavement.
