## A secret for young mothers about colds

Take the advice of two million other mothers who use "Vick," the remedy made specially for all children's colds.

### IT'S SAFE

Nothing to swallow, no "dosing" to harm the digestion. You simply rub "Vick" on throat, chest and back at bedtime.

### IT'S PLEASANT

Children like "Vick." It makes the chest warm and comfortable as it "draws out" tightness. It makes breathing easy again as the child inhales its healing vapours.

### IT'S QUICK

The child soon drops off to restful sleep, while "Vick" goes on working for hours. By morning, usually, the worst of the cold is over.

In tests by doctors among 17,353 people, "Vick" ended colds quicker. Insist on genuine "Vick." Family size 1/6.

Just rub it on

THE TREE PLANTING SCHEME

mounted on white steeds and torch-bearers. Having paraded the town the processionists subsequently assembled in the Square, where in the presence of a huge crowd the New Year was heralded in with the playing of "Auld Lang Syne" and the National Anthem. The celebration was arranged by Mr. D. McAuliffe, M.C.C., who, by the popular acclamation of all present, was unanimously elected "Lord Mayor" of the town for the second year in succession.

### Sudden Death.

The death occurred with tragic suddenness on Wednesday morning of Mrs. M. McCarthy, Chapel Street, Newcastle West. While preparing for Morning Mass she was taken ill and passed away in a short time after receiving spiritual and medical aid. Of a very quiet and retiring disposition, deceased was esteemed and respected by all. She was wife of Mr. Maurice McCarthy, local National Health Insurance Agent and member of the Newcastle West Town Commissioners. She was mother of Mr. Paddy McCarthy, captain of the Limerick Minor Hurling team that won the All-Ireland title last year, and who is now serving with the Defence Forces. To both of them and to the other members of the bereaved family deep sympathy will be extended.

### Petrol Supplies.

Hackney drivers and private motorists in the town and district have been greatly relieved by the announcement made on Wednesday of the resumption of petrol supplies. Sales of the fuel were almost completely suspended in the town during the week-end, and there was a noticeable reduction in the number of cars on the road. Hackney drivers and delivery vans had to restrict their services for a day or two, but conditions appeared to be again normal on Thursday.

### Another Death.

The death occurred on Sunday of Mrs. Margaret Mulcahy, wife of Mr. Daniel Mulcahy, Ballintubber, Newcastle West. Deceased was mother of Rev. James Mulcahy and Rev. Jeremiah Mulcahy, of the Diocese of San Francisco, and Sister Mary Ita, of the Community of the Holy Family Convent, Johannesburg. There were impressive scenes of public sympathy at the funeral, which took place to Killeedy Cemetery on Thursday after Solemn High Mass in Raheenagh Parish Church.

### Enthusiastic Reception.

St. Michael's Temperance Dramatic and Choral Society, Limerick, were given an enthusiastic reception when they visited the town on Sunday night and presented a first-class production at the Carnegie Hall. The programme included a delightful presentation of "The Bishop's Candlesticks," from "Les Miserables," and "Dixieland," a song-scene introducing the ever-popular plantation melodies rendered in faultless style. The conductor was Mr. P. Glynn, A.L.C.M., and at the conclusion of the performance Rev. Dr.
