was bad. The summons had been served
on the defendant's sister in the street
and according to the regulations service
should have been made in the following
way—"Each summons shall be served
upon the person to whom it is directed
by delivering to him a copy of such at
his last or most usual address or at his
office, warehouse, counting house, factory
or place of business, with the husband,
wife, child, father, mother, brother, sister
or any other relation of the defendant."
In this case the summons was served on
the street to the sister of the defendant
and, therefore, service was bad.

Mr. Blood-Smyth, solicitor, for the
Board, contended that the Justice had
discretionary powers to admit the
Justice—There is no use in having
regulations if they are to be set aside
at discretion. I hold the summons has
not been properly served.

ESTEEMED CITIZEN

DEATH OF MR. J. BUCKNER

Limerick has lost an excellent and
deservedly popular citizen in the person
of Mr. Joseph Buckner, Roxboro' Road,
who passed away in St. John's Hospital
yesterday. The deceased was for many
years up to his death the institution
painter at the Limerick Mental Hospital,
and in that capacity he gave the highest
satisfaction to all. He was all his life a
prominent and very sincere advocate of
the labour cause and occupied at different
times the positions of President and Sec-
retary of the Limerick Trades Council.

A man of the finest principles, he had
the fullest confidence of all classes. He
was of a kindly, charitable and tolerant
disposition and was one whose friend-
ship and companionship were much
appreciated by all who enjoyed them.
Simple as a child in his ways and man-
ner, he was a true friend to all in need
and every good cause could readily
count on his sympathy and support. To
his bereaved wife, family and other re-
latives we extend our very sincere
sympathy. The funeral took place this
afternoon from St. Michael's Church to
Mount St. Lawrence Cemetery, the cor-
tege being very large and representative.
