A SHORT MEETING

Mayor (Ald. D. Bourke, T.D.),
d at the meeting of the Limerick
ir Board to-day.

other members present were
Reidy, T.D.; Ald. A. E. Goodwin,

Defence.

The Chairman observed that there had
been an order made some time ago to
have the Red Cross painted on the roofs
of the hospitals.

Senator Madden said that it might
prevent a lot of confusion if the appli-
cation were made. They should conform
with the law.

It was decided to communicate with
the Minister and ask for information on
the subject.

THE USE OF TURF.

A circular was read from the Depart-
ment urging the use of turf to the
maximum extent by public bodies. It
had been ascertained, the circular added,
that some public bodies were not com-
plying with this policy.

The Secretary said that in reply to the
letter, he had informed the Department
that the Board had supplied all the dis-
pensaries with turf during the past two
years. Quantities of turf had also been
supplied to the County Home, and had
been used as far as possible in conjunc-
tion with coal.

LATE MR. P. EGAN, RATHKEALE.

The Board passed a sincere vote of
sympathy to the relatives of the late Mr.
P. Egan, Rathkeale.

Senator Madden, in proposing the vote
of sympathy, said: "I regret very ex-
ceedingly, indeed, that the occasion has
arisen for me to move on your behalf
and on my own a sincere vote of sympathy
to our colleague, Mr. M. F. Noonan,
solicitor, and to his very big circle of
friends on the rather premature and
irreparable loss that his family has sus-
tained by the passing at an early age of
his brother-in-law, Mr. P. Egan, a man
who was very honourably associated with
the business community of Rathkeale for
well nigh a quarter of a century. He was
loved by and endeared himself to every-
body. He will be very much missed com-
mercially. He was a sympathetic helper,
adviser and co-operator with the general
community, and particularly with the
agricultural community. In proposing this
motion I do so very feelingly for his
dear, kindly wife, who is the very essence
of sympathy and good-heartedness to
everybody.

The Chairman and Secretary, on behalf
of the staff, associated themselves with
the vote of condolence, which was passed
in respectful silence.

ANNUAL ESTIMATE.

In compliance with the statutory re-
quirements the subject of the annual

postpone consideration to a later meeting.

Ballingarry seven tenders were received,
