

Class held a very successful  
in the Brook Hall. Two dramas,  
"For-Tat" and "The New Maid,"  
staged by the company. The en-  
tainment attracted a large attendance  
was most enjoyable.

#### Ball Dance.

The Hurling Club held their annual  
in the Brook Hall on St. Stephen's  
There was a very large attendance  
patrons enjoyed a very good night's  
ing. The catering was in the  
able hands of the Ladies' Committee  
the music was supplied by Tuohy's  
e Band, Tipperary.

#### Cappamore H.C.

On the same night the Cappamore  
ing Club held their annual dance  
at Thomond Hall, Cappamore, and  
the Ramona Dance Band, Roscrea,  
led to a large number of dancing en-  
thusiasts, who voted the event an un-  
qualified success.

#### Weather and Flu.

For the first time in many years the  
band failed to play out the Old  
and play in the New. Many of the  
members are complaining of flu, which  
is just claiming many victims, owing  
in part to the harshness of the weather.  
Work on the Mulcair has been suspended  
for some time.

#### Schools and Devotions.

The parish schools have re-opened after  
Christmas vacation, also the Techni-  
cal School at Cappamore. Peace de-  
votions are now held after last Mass  
Sundays, owing to the short, dark  
days, and the general inclemency of  
the weather.

#### Reynard Busy.

There have been many complaints from  
farmers in Old Pallas locality of the  
predations of the fox, who has been  
preying amongst the fowl with not a few  
which he has decamped within the  
space of a couple of weeks. The presence of  
Reynard has not deterred the farmer from  
preparing a meal in the shape of some  
fat hens.

### LIMERICK COUNTY COUNCIL THE DOGS ACT, 1906.

The attention of the Public is hereby  
drawn to the subjoined Regulations  
made by the Limerick County Council  
in exercise of the powers conferred on  
it by the County Limerick (Control  
of Dogs) Order, 1907, restricting the  
movement of dogs by night.

### ADMINISTRATIVE COUNTY OF LIMERICK.

Regulations as to the Control of Dogs in  
the above County.

Notice is hereby given that at meeting  
held on the 6th day of February, 1926,  
the Local Authority, under the Diseases  
of Animals Acts, 1894 and 1903, for the  
Administrative County of Limerick, in  
exercise of the powers conferred upon  
it by the County Limerick (Control  
of Dogs) Order, of 1907, made the follow-

regulations abroad after that hour on their  
way home from pictures or other social  
functions. In view of the continued  
operation of summer time during the  
winter months the E.S.B. decided to give  
public bodies the option of an extra  
hour's lighting. The Commissioners were  
only too glad to avail of the offer, and  
the change came into force for the New  
Year.

#### The "Flu."

Scores of people in the town and dis-  
trict have fallen victims to a complaint  
which is described as a mild form of  
the "flu." In the majority of cases the  
symptoms are similar to those usually as-  
sociated with the common cold, but the  
effects are much more virulent and dis-  
concerting. Quite a number of people  
have been confined to bed and there are  
definite indications that the epidemic is  
becoming more widespread.

#### Severe Frost.

West Limerick was virtually ice-bound  
during the week-end as a result of one  
of the most severe spells of frost experi-  
enced in recent years. Ponds and some  
streams in the district were frozen over,  
but fortunately, owing to the dry condi-  
tion of the roads in the area, there was  
no dislocation of traffic. Elderly people  
suffered acutely from the effects of the  
extremely severe conditions, which were  
accentuated by a bitter north-easterly  
wind. The younger generation, on the  
other hand, seemed to be thoroughly en-  
joying themselves in the frost, which  
apparently added further zest to their  
youthful vigour.

#### Recent Death.

Her numerous friends and acquaintances  
in the town and district learned with  
very deep regret of the death of Mrs.  
Mary Mackessy, relict of the late James  
Mackessy, Knockaderry, Newcastle West.  
Deceased, who had reached a ripe age,  
was mother of Mr. James Mackessy, of  
Messrs. R. Nash & Co's clerical staff, to  
whom, as well as to the other members  
of the bereaved family, the deep sympathy  
of all sections of the community will be  
extended. The funeral took place at  
Churchtown on Tuesday, after solemn  
Requiem Mass at Knockaderry Parish  
Church.

#### Town Commissioners.

Newcastle West Town Commissioners,  
Mr. M. Cullane, chairman, presiding, ex-  
pressed sincere sympathy with Mr. M.  
McCarthy, one of the members, on the  
recent death of his wife, and adjourned  
as a further mark of respect. Sympathy  
was also voted to the relatives of the  
following deceased:—Thomas Hartnett,  
Patrick Breen, Michael O'Sullivan, and  
Mrs. B. Houlihan, Newcastle West; Mrs.  
D. Mulcahy, Ballintubber; Mrs. Hartigan,  
Killeedy; Mrs. Keating, Glensharold, and  
Mrs. M. Mackessy, Knockaderry.
