Herbertstown Co-Operative Agricultural and Dairy Society, Ltd.-Ata meeting of the Committee of the above Society held on the 8th inst., the Chairman (Senator Martin O'Dwyer) in moving a vote of sympathy to the relatives of the late Edmond Ryan, Ballyhobin, said that in Mr. Ryan they had lost the last of the founders of the Society, that band of devoted men who nearly forty years ago by their financial sacrifices and their unconquerable enthusiasm and energy had built up and maintained their Society in face of great difficulties.

Mr. Ryan was a member of the first Committee and remained in office until his death. During those years he watched with a paternal care over the Society he had helped to found. He was always first to come to the rescue in its difficulties and he was proud to see its growth and extension in later years. He was a splendid type of the Irish farmer of the last generation, a able honesty.
