# THE LOGICAL TREATMENT OF RHEUMATISM

Many persons taking 'Milk of Magnesia' find their acid stomach and their rheumatism from which they suffered also disappeared. This is explained by the fact that most rheumatic afflictions are caused by excess uric acid, which is neutralized by the antacid action of 'Milk of Magnesia.'

If you are racked with pain and troubled by rheumatism, lumbago, sciatica, arthritis or gout, it is due to excess uric acid in your system. Correct this by taking 'Milk of Magnesia' daily. It is the ideal antacid for regular use. It will alkalize and sweeten your system. It will rid you of harmful uric acid and, by thus removing the cause of the pain, will quickly relieve your aching muscles and joints.

Obtainable everywhere, at 1/3 and 2/6. The large size contains three times the quantity of the small. Be careful to ask for 'Milk of Magnesia,' which is the registered trade-mark of Phillips' preparation of magnesia, prescribed and commended by physicians for correcting excess acids. Now also in tablet form **MILK OF MAGNESIA** brand TABLETS 1/-, 2/- and 3/6. Each tablet is the equivalent of a teaspoonful of the liquid preparation.
