

oldest and most respected families in Athea. She was a splendid character of kindness and charity, being ever ready to help those in trouble and never denying a share from her plentiful table to those who needed it. Her simplicity of heart, piety and devotion were edifying. She was truly one of a grand old Irish type who are fast disappearing from our midst.

She was mother of Rev. Brother Ahern, Christian Brothers, Belfast; of Sister Mary Rita and the late Sister Mary Imelda of Fango.

Her remains were removed to the parish church on the 23rd ult., and her funeral took place next day to the family burial ground, Temple Athea, Rev. Father Connolly, P.P., officiating at the graveside. Despite the inclemency of the weather her funeral was largely attended by the parishioners as well as by many friends from neighbouring parishes and even from distant parts of the county.

Among the messages of sympathy received was one from Rev. Father T. O'Sullivan, C.C., Bruff, and from Senator and Mrs. Colbert of Dublin, the former being unavoidably absent from the funeral.

### MRS. WM. COTTER, KILCONLEA, ABBEYFEALE.

The death of Mrs. Nora Cotter, of Kilconlea, Abbeyfeale, occurred after a tedious illness at the age of 83, and removes from her district a much esteemed and highly respected resident. She was relict of the late Mr. Wm. Cotter, a man who took an active part in the land and national movements in the fight to remove the tenant-at-will system of land tenure by the purchase schemes which eventuated. Mrs. Cotter belonged to an old and much esteemed family long

### LIVER BILE

without Calomel — and you'll jump out of bed in the morning full of vim and vigour

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk, and the world looks punk.

Laxatives help a little, but a mere bowel movement doesn't get at the cause. It takes those good old Carters Brand Little Liver Pills to get these two pints of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carters Brand Little Liver Pills. Stubbornly refuse anything else. 1/3 and 3/-
