WEEKLY CATTLE AND SHEEP MARKET.

Wednesday, January 29th—Cattle—Increased entry on last week, better class. Good attendance. In beef more bullocks and heifers; owing to restrictions trade was not as ready or sharp as last Wednesday. Nice handy heiferish cows bid for and cashed; trade in this section was on much quieter lines. Stores mainly young cattle, mixed class; useful sorts changed hands, and inquired for; thin cattle slow; tendency for easier rates, buyers cautious. Shapely, coloury, well-bred cattle can be sold, heifers preferential trade. Fairly good clearance. Fat heifers and bullocks, £17 to £21; fat cows, best, £18 10s. to £25; second run, £15 to £17 10s.; strippers, £7 to £12; two-year-old bullocks and heifers, £10 to £14 5s.; yearlings, £7 1s. to £8 10s.

Sheep—Full supply, not as many good sheep as last week. Usual buyers. Trade hardly as quick as last Wednesday; medium weights in most favour. Choice pens repeated last week's top prices; fresh, well-fed sheep in demand, and about held their price; secondary and rough sorts a bit tedious; hoggets not as active; fresh ewes sold well. Over the day prices worked out around recent values; business not quite as smooth and free, as the quality of the lots on offer was hardly as good. Market practised daily cleared. Fat middle, 78/- to 96/-; small, 64/- to 75/-; ewes, best, 72/- to 86/-; second run, 52/- to 69/-; hoggets, 53/-—Wm. B. Fitt & Co., Auctioneers.

WEEKLY DAIRY MARKET.

Thursday, January 28th—Seasonable entry; ordinary description; good attendance. Business followed much on the same lines as last week, with steady inquiry for nice promising cows and heifers. Dairy cows of the right stamp met a ready exchange; old cows and secondary lots hard to place. All useful lots found customers at current rates. Over the day's proceedings there was fair all-round selling trade, with a satisfactory clearance. Dairy cows, best, £20 to £24 5s.; promising, £14 10s. to £19 10s.; heifers, £20 10s. to £20 15s.—Wm. B. Fitt & Co., Auctioneers.

CATTLE MARKETS, MULGRAVE ST., LIMERICK.

WEEKLY MARKET.

Saturday, January 25th—Dairy cows and in-calf heifers—Heavy entry. Dealings confined to local buyers owing to export restrictions. In the absence of competition from the buyers for export, prices were easier, but, nevertheless, a good selling trade resulted. Top price was obtained by Mr. Thomas Campbell at £24 15s. for a calved heifer, the purchaser being Mr. M. O'Grady. The entry of spring calving dairy cows for Mrs. Burke, Sandylane, Boher, attracted keen competition, these cows being sold from £14 to £17 10s. In-calf heifers, spring calvers quiet trade. Most lots entered were sold, however. Dairy cows and in-calf heifers, best, £19 5s. to £24 15s.; others, £14 to £17 15s.; dairy cows, spring calvers, £12 to £17 10s.; in-calf heifers, spring calvers, £16 to £19. Stores—Small
