### THE ARDAGH BRANCH

Annual general meeting of the  
Branch of the Irish Red Cross  
was held in the Boys School,  
on Monday, 3rd February.

Chairman, Rev. J. Liston, P.P.,  
short address in which he stressed  
importance of the work being done  
by the Society and also how proud the  
members of the Branch are of their  
work.

contributed in some way to equip them-  
selves in face of any threatened  
emergency, and if such an emergency  
did arise the knowledge they had re-  
ceived would in any case be exceptionally  
useful. In concluding he thanked all  
who had helped to make the function  
such a success and thought that Mrs.  
McNamara, who had so kindly supplied  
the piano, deserved special mention.

He was glad to see so many Red  
Cross members present, while he also  
noticed that among the gathering there  
were many guests, whom he hoped to see  
in the near future present at a similar  
function, not as guests but as recipients  
of First Aid Certificates.

ceived First Aid Certificates.
