WEEKLY DAIRY MARKET.
Tuesday, February 11th:—The entry for to-day's market was heavier than last week; not many really choice heifers, but quite a number up to dairy requirements; in addition there was a number of choice dairy cows. A large attendance, including some from a distance, all in quest of heifers showing dairy qualities. This description found ready and willing purchasers, with a quick sale; spirited competition and values well maintained; strong inquiry ruled for both heifers and cows; there being no shortage of buyers; competition all round showed cohesion and stability, buyers being willing to part; top values for the right stamp, so that trade was sharp and quick, winding up the day with a good sell-up; three only passed unsold through the "ring." The average price for good heifers and cows worked out something better than last Tuesday. Top price of the market was obtained by Lord Dunraven at £25, and Mr. Wm. Penny got top price for dairy cows at £30. Choice heifers, £23 5s. to £25; promising, £19 5s. to £22 10s.; ordinary, £15 to £18; dairy cows, choice, £26 to £30; ordinary, £17 10s. to £24.—Wm. B. Fitt and Co., Auctioneers.

CATTLE MARKETS, MULGRAVE ST.

Stores, more strong cattle on offer; better selling trade. Two year old bullocks and heifers, £12 2s. 6d. to £14 10s.; others, £9 7s. 6d. to £10 10s.; calves, £8 to £10 2s. 6d. Most of the in-calf heifers which were to have been sent last Saturday, but which were held back due to the bad morning, are entered for to-morrow (Saturday), 15th February.—Louis de Courcy, Auctioneer.
