

buyers are slow to invest in heifers and those lacking the means for the making of a good cow. There was a strong and active attendance. A number of heifers specially to procure high grade heifers the supply of which was limited; "toppers" that were on the market at the highest price so far for the year. An extra fine roan heifer, property of Mr. M. Power, gained the honours, realising, after spirited bidding, the sum of £31. The medium sized shaped heifers with colour were in demand and changed hands readily. Plenty of buyers to absorb useful and more of this stamp could not be sold. Good inquiry for young cows. Business was firm and winding up with a successful food clearance. Choice heifers, to £31; promising, £20 to £24; dairy cows, £16 5s. to £19 10s.; dairy cows, to £25.—Wm. B. Fitt and Co., Limerick.
