

and Torrens had a great duel finishing up with honours even. The re-play is fixed for Saturday, March 22nd, at Thomond Park. H. McNeice came through a gruelling day without a scratch, but on Sunday last, in a friendly game between O.C.B.A. and Crescent, he fell and dislocated his shoulder. This accident will keep him out of the game for some time, and may not be right for the re-play.

The Junior Cup.
The second semi-final of the Limerick area in the above competition takes place on Sunday next at Thomond Park, when Shannon and Bohemians' second string meet. The latter team in their junior league games did not impress and as a matter of fact failed to raise a point in the series of matches. The Shannon team is a strong side who are improving with every match, and it looks as if it is on the cards that they will contest the final with Presentation.

On Sunday last Shannon had as visitors for a friendly encounter the Waterpark Old Boys team, and the pity was that so many failed to witness one of the best games seen in junior ranks this season. Though the ground was dead against open play, both sides treated the few spectators to a sparkling display. The local forwards had much the better of the exchanges, but were unable to make any headway against a brilliant back line. The result—a scoreless draw—was a fitting one.

Munster Schools Senior Cup.
On Thursday next the semi-final of the above cup will take place in Clonmel, when Mungret and the holders, Rockwell, meet to decide the issue as to who will meet Presentation College Cobh, in the final. Rumours have it that some of our very prominent local past and present senior players are taking a keen interest in the Mungret team this season and have already been out watching and training the boys all the tricks that they themselves have learned from experience. The Limerick lads made a bold effort to capture the trophy last year. They are now in the final of the Junior Cup, which they hold, as well as the final of the Limerick Schools' Cup, and hopes are strong that they will be contesting the final of the more important event. Their turn to place a shield on same is now overdue. Let us hope they will not be disappointed.

Mungret Team.—K. Henry, D. Connolly, J. Tarpey, J. Nestor, A. Farren, R. Lillis, J. Shannon, R. Power, P. O'Connor, J. McGarry, P. Ryan, S. Goggin, S. Shiel, E. Cogan, O. Lynch.

Fixtures.
Owing to the inter-provincial match and the close proximity of the cup ties, there will be no games to-morrow in Limerick. All three local clubs are, however, training very hard for their coming cup ties.

DROPPED OFF BICYCLE AND DIED

Having transacted some business at Abbeyfeale, Mr. John Harnett, a respected and industrious farmer residing at Kilconlea, and aged 53 years, was cycling home with a companion about mid-day when, feeling weak a few hundred yards from the town, he dropped off the bicycle and passed away in a short time. Priest and doctor were in attendance. Much sympathy is felt for his bereaved wife and family. An inquest was not deemed necessary.
