

Church Fund. It was indeed a joyous programme from every point of view and the audience who packed the theatre found it unusually satisfying. The surprise was that the promoters were able to arrange so diversified and original presentation coming so soon after the last concert, but initiative was not lacking and the result was a delightful assembly of colourful concert items. The audience were instantly put in good humour and the quick-method change of scenes assured that only the minimum amount of time was lost. There were singers of every description to sing every type of song, comedy scenes and a variety of dancing numbers, with comedy items nicely interspersed.

Very Rev. J. B. O'Donoghue, O.S.A., Provincial, paid a very warm tribute to the promoters, Miss L. Dundon, Miss M. McGowan, Miss K. O'Connor and Mr. E. Connaughton, at the close of the show. Their untiring efforts to make the concert a splendid success won his high appreciation. He also thanked Mr. J. Shiel, manager, and the Savoy staff; Mrs. Legear, Mr. Alban Chambers, organist, and the artistes and audience, for their co-operation in helping on the church-building project.

## A.R.P. SHELTERS.

Surprise is expressed that no steps are being taken to have the skeleton air raid shelters excavated in different parts of the city put into proper trim and condition. In their present state the trenches are a menace to the general public and the responsible authority should see to it that they are at least made safe. A few months ago it was stated in the Town Hall that the excavations would be lined with concrete and then roofed in. Nothing, however, has been done in the interval, except that the trenches, in some places at any rate, are being used as dumps for domestic refuse.
