#### LIMERICK COUNTY COUNCIL.

#### FINANCE ACTS, 1920 and 1921, and ROADS ACT, 1920.

#### Notice to Owners of Mechanically Propelled Road Vehicles.

The Limerick County Council, in pursuance of the powers vested in them under the Road Vehicles (Registration & Licensing) Order, 1921, made under the Roads Act, 1920, hereby warn owners of mechanically propelled road vehicles which are ordinarily kept within the County of Limerick, that immediate steps should be taken to enforce the payment of all outstanding Licence Duty on same.

Licence Duty can be paid through the post or personally to the undersigned between the hours 10 a.m. and 4 p.m. with a luncheon interval from 1 p.m. to 2 p.m. on Saturdays between

even bigger flying-boats are expected this time.

#### No Excursions.

The news that there are to be no excursions to Foynes on account of war conditions has been a great disappointment. Now that the flights are to be so spectacular, the excursion trade would naturally have reaped the advantage. Provided the railways can use turf, and if the expected amount of peat is cut, there may be hopes for the excursion train yet.

#### Rail Electrification.

The electrification of many of the more unimportant railway lines would be a decided advantage in times like this. But, of course, somebody might say that we could not depend fully on the Shannon Scheme. The best solution for many of our ills is a speedy end to the war.

## BRUREE NOTES

(From Our Correspondent).

#### Retreat.

A week's Retreat for the military has been conducted at Bruree by Rev. Father Kelly, C.S.S.R., Mount St. Alphonsus, Limerick. It was inspiring to see the fine body of men marching to Bruree Church each morning and evening.

#### Tillage.

In this district, I am pleased to state, the slogan "grow more wheat," etc., has been lived up to. No matter what way you turn you will scarcely see anything but gardens of wheat, oats, barley, potatoes or beet.

#### Postponed.

The concert which was to be held at the Maigne Hall, Bruree, on Sunday, 13th inst., in aid of Bruree Coursing Club has been postponed for some time.

#### Obituary.

I regret at having to record the death at a young age of Miss Norah O'Connor, Skyle Park, Bruree. Deceased was a lovely girl, always so jolly and cheerful, and her passing away so quickly is very much regretted.

#### CERTIFICATE OF GIRL'S

Witness had in his possession certificate of the girl's age and the defendant that his experience was that girls did not usually from school at the age of 2 they came much sooner. The defendant took control of the situation and, under the circumstances, witness did not attach blame to the girl. He cautioned the defendant later him that the position was and that anything he had might be used in evidence him. The defendant then away again and returned with account book containing relating to the first half of and said that those were the on which Reynolds had worked him. Having examined the and the writing, he told the defendant that he candidly believed defendant was after writing dates while he was absent the book. Towards the end of conversation, witness told the defendant that it was an ordinary thing that the dates deduced did not correspond with dates on the cards. The defendant's reply to that was that a batch of bread in the oven that he had to go and look it in case it would burn, and the proceedings would have come to an end. On that date defendant had not actually shown any card for the second half of 1940.

Mr. Laurence Byrne, Inspector Ennis, said that in May, 1937, he visited the defendant and was told by him that Reynolds was witness for five weeks only in 1937 the harvest. He also saw Reynolds, who told him the same but Reynolds's story was more reliable and witness had to do the case and get his information from other sources. He gave no assistance in any way from the defendant.

Mr. Walshe said he had the employees summoned also but they did not turn up and that showed the attitude of the defendant all

#### JUSTICE'S REMARKS

The Justice said it was difficult to understand how a man, after getting himself into trouble, would wriggle out of it. They had a number of cases of that kind in Court from time to time and he would advise and implore the defendant whom the Inspectors have to try and tell something approaching to the truth on the first occasion, because it would save the Inspectors and everyone else a great deal of trouble and a good deal of money as well. Anyone who tells the truth, Mr. Byrne will agree that he is the most reasonable man. When the defendant came forward and admitted he made a mistake and that
