MR. JOHN CROSS, SENR., SINGLAND.

It is with sincere regret that we announce the death of Mr. John Cross, senr., which took place at his residence, New Road, Singland, Limerick, on Good Friday, April 10th. The deceased was the eldest son of the late Michael and Mary Anne Cross, and a member of a family connected with the life of Limerick for a good many years. The late John Cross was a familiar name in the city and county and was well known all over Munster, and in all his business dealings, which were characterised by the highest integrity, he had the good-will and friendship of his many friends.

The funeral, which took place on Easter Sunday from St. Patrick's Church to Mount St. Lawrence Cemetery, was one of the largest ever in the district for many years. Included in the cortege were many well-known citizens, members of

M. Bresnahan, A. O'Brien, M. Callinane, N. Geehan.

Many more volunteers have expressed their intention of attending the next night.

The number of registered unemployed in Britain on March 17 reached a new low record, totalling 457,918, a decrease of 122,931, compared with the last published return on February 10. Only one industry showed no decrease.
