the Department of Agriculture.

N.I., who acted as M.C., in return-
ing thanks, paid a special tribute
to the Milford Dramatic Class, and
pointed out the humanitarian pur-
poses for which the Red Cross
stood.

Presentation of Certificates.

During an interval a very pleas-
ant function took place when Dr.
T. F. McNamara presented First
Aid Certificates to the following,
who were successful at the recent
examination — Mrs. H. O'Kelly,
Misses Travers, M. Connolly, E.
Falvey, M. Noonan, M. Culhane,
E. Hannon, M. Gleeson, N. Walsh,
N.T.; S. Hartnett, N. Moloney;
Messrs. J. Hyland, E. C. O'Kelly,
J. Wall, P. Lynch, T. Doherty, J.
O'Brien, T. Walsh, and D. O'Cal-
laghan, N.T.

Doctor Thanked.

Mr. D. O'Callaghan, N.T., return-
ing thanks on behalf of the recip-
ients, thanked Dr. McNamara for
presenting the certificates and also
for the painstaking and courteous
manner in which he conducted the
lectures. They were also very
proud to secure their certificates
and hoped that if the occasion
should ever arise they would prove
worthy of them. No greater justifi-
cation for the formation of a Red
Cross Branch in Dromcollogher
could be found than the fact that
at present over 40 of its members
had now received First Aid Certifi-
cates and all of them were not only
willing but anxious, if called upon,
to serve the nation's needs.

Presentation.

In concluding, it gave him great
pleasure on behalf of the class to
make a presentation to Dr. Mc-
Namara, which might show in
some small way their appreciation
of him. Dr. McNamara suitably re-
plied.

Whist Drive.

At a recent whist drive a large
number participated and the fol-
lowing were the winners:—Ladies—
1st, Mr. P. J. O'Connell, Milford
(playing as a lady); 2nd, Miss Mary
Gleeson, Church Street. Gents—1st,
Mr. P. Shanahan, Milford; 2nd, Mr.
T. Falvey, do.

Recent Death.

His numerous friends in Dromcol-
logher learned with deep regret of
the death of Mr. John Madden, Pike
Street, which took place in Croom
Hospital. The deceased had built
up a thriving business in the town
and was respected by all who came
in contact with him. The funeral,
which took place from Dromcollog-
her to Newtownshandrum on Satur-
day, was of large dimensions.
