### MR. WILLIAM HOBBS.

It is with the deepest regret that we announce the death of Mr. Wm. Hobbs, which took place at his residence, 42 Lower Gerald Griffin Street, on Sunday last, April 27th. For a long number of years the deceased was attached to the Engineering Department of the Condensed Milk Company of Ireland, and was extremely popular with all the members of the staff. In private life he was of a genial and retiring disposition, and in his early days "Bill," as he was more familiarly known, was attached to the Shamrock and Garryowen Football Clubs, and was for a long number of years an esteemed member of the Athlunkard Boat Club.

The funeral, which took place to Mount St. Lawrence Cemetery on Monday, was representative of all classes, which included many of his old friends and comrades of the above clubs, and bore testimony to the esteem in which the deceased was held.

The chief mourners were:—Mrs. Mary Hobbs (widow), Donal and Brendan (sons), and Josephine (daughter).

The clergy present were:—Rev. Father Brazil, Adm., St. John's (who officiated at the graveside); Rev. Father O'Grady, C.C.; Rev. Father Kelly, C.C., and Rev. Father Moran, C.C.

## WAKE UP YOUR LIVER BILE

without Calomel — and you'll jump out of bed in the morning full of vim and vigour

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk,

not be held this season travelling difficulties. I learn that a Limerick ship will be arranged, the League system.
