

rheumatic acids from stiff, painful, swollen muscles and joints. You will have seen Fynnon described as Nature's Salt of the Earth. That's right! For in Fynnon are the natural salts of lithium, potassium and sodium, which bubble up in the springs of famous spas. Folk who take Fynnon find that it not only gets rid of their rheumatism — it keeps their bowels healthily regular, their blood cool, their skin clear and their stomach comfortable.

The new 7½d. trial size of Fynnon Salt contains enough for a thorough personal test, the daily dose being a teaspoonful of Fynnon in a tumblerful of water. Get one of these trial sizes today from your chemist and see for yourself what amazing health benefits it can bring. If you are already buying the 1/6 size — what about an ailing friend who would be grateful for an introduction to Fynnon Salt?

## Tip to Farmers

Farmers all over the country are using

# VICTALINE

for the treatment of Scour in Calves, because they know it never fails.

**VICTALINE** never fails when given in time. When you notice the first symptoms of scour give a dose of **VICTALINE** at once. Often a few doses are sufficient to effect a cure.

Always keep a bottle in the house in case of emergency.

**PRICE, 4/9 PER BOTTLE.**

If you have any difficulty in obtaining it locally, it can be obtained post free from the manufacturers:—

**Simel Remedies,**  
14a EUSTACE STREET,  
DUBLIN

# TURF

FOR SALE

Thousands of

on the nature of the peat that is being operated on. Turf near the surface, especially the soft, brown variety, is far more difficult to cut than the lower sods, which are generally black and constitute the best quality turf when saved.

## DROMCOLLOGHER GOSSIP

(From Our Correspondent).

### Tillage Drive.

The people of the Dromcollogher locality, in common with the rest of the country, have given very wholehearted co-operation in connection with the appeal for increased tillage. The recent spell of dry weather has greatly helped matters in this respect, but the drought has had an adverse effect.

### Gaelic Affairs.

The outbreak of foot-and-mouth disease in the county has brought to a standstill all Gaelic activity. The local hurlers were due to meet Feenagh nearly three weeks ago, but the match was cancelled. Training is, however, being carefully attended to, and an improvement on last year's form in all grades can be expected.

### Red Cross.

At the weekly whist drive a large number attended and a most enjoyable function resulted. The winners were—Ladies' 1st prize, Mr. T. Madigan; 2nd prize, Miss P. McSullivan. Gent's 1st prize, Mr. J. Noonan, Milford; 2nd prize, Mr. P. O'Mahony, N.T.

### Bank Transfer.

His many friends in the locality will regret the departure of Mr. T. Doyle, Munster and Leinster Bank, Dromcollogher, who has been transferred to Skibbereen. While in Dromcollogher Mr. Doyle proved a very popular and courteous official.

### Recent Death.

The death took place during the week of Miss M. Feehan. In poor health for some time past, the deceased lady was held in high esteem by all sections of the community. The funeral, which took place to Ballinakill, was of large dimensions.

**Fortify your Kidneys!**

believe that the placing of a limb of an aborted calf to promote their own welfare to the detriment of that of their neighbor.

### The Wheat Crop.

It is a regrettable fact that the wheat crop has almost failed with some farmers, had to plough up the ground over again with a view to sowing in black oats or barley substitute. The vagaries of the weather are responsible for this state of affairs and it must be regarded as a very serious set-back at this critical time.

## FALSE TEETH NEED CARE

Modern dentures are often beautiful pieces of work. They are perfectly natural looking, comfortable. They are of expensive as well, because of the costly materials that go into their making. When you get a new set of False Teeth it is your duty to keep them well cared for. Care is essential if you wish to avoid further expense later on. Proper care is extremely important. It costs about 3d. a week. Buy some Milton Denture Solution from your Chemist (he will give you 6d., 1/- and 1/9) and place your dentures in a solution of it every day. Full directions are on every bottle. Following them you will have a set of teeth that are smooth, surgically clean . . . . . are germ-free and unimpaired. They do not stain or nicotine discolor.

## How to Stop Teeth Slipping

If your plate is apt to drop, do what 60,000 Dentists do the world over. Sprinkle your teeth with Dr. Wernet's Powder every morning. Dr. Wernet's is firm and comfortable all day and forms a soft alkaline film which prevents Acid Mouth and Gum soreness. Try Dr. Wernet's to-day. You will be delighted. All chemists.
