# GLIN ITEMS

(From Our Correspondent)

## Congratulations.

The re-election of Mr. John McCormack as chairman of the historic Limerick County Council, and of Mr. Michael O'Donnell to the vice-chair, has given great satisfaction in Glin, where both gentlemen are regarded as being very able and impartial in the discharge of their onerous duties. The re-election also to the Council of Mr. Patrick O'Shaughnessy has given satisfaction to his numerous relatives and friends. Mr. O'Shaughnessy is member of the County Council since its formation in 1898 and is, therefore, the oldest member of that body.

## Regretted Death.

The death of Mr. James Donoghue, Drumlish, Glin, which took place on Monday is deeply regretted. He had reached an advanced age. He was father-in-law of Mr. Patrick McCarthy, principal, Boys' School, Athea, and father of Mrs. Patrick McCarthy, principal, Girls' School, Athea, to whom, and the other members of the family, deepest sympathy is offered.

## Late Mrs. Fitzgerald.

The death, at the early age of 36 years, of Miss Bridget Fitzgerald, Clonoughla, Glin, has occasioned widespread regret and sorrow. Very deepest sympathy is extended to the family in their bereavement.

## Turf.

The cutting and saving of turf continues in the Glin district, giving much needed employment.

## Wanton Damage.

Some time during Sunday evening about twelve feet of the metal railing at Glin Pier was torn away. The pier was intact on Saturday evening when the Harbourmaster visited the place. This is not the first time that wanton damage has been done to the pier, which is of such benefit to the people of Glin and adjoining districts.

## After Twelve Months.

After being tossed about for a year between Belgium, France and Spain, Miss Ursula McCoy has arrived at her home in Glin. Miss McCoy had a lucrative appointment
