Messrs. T. Reidy and M. McCarthy, Secretaries, were the officials in attendance.

Arising out of the minutes of the previous meeting,

The Secretary stated he had an application from Ballysteen for a postponement of their match with Athea at Foynes on 13th inst., on the grounds that three of their players were injured and three more were competing at a sports meeting.

In connection with this fixture also the Secretary read a communication from Foynes stating that Mr. T. Naughton would not be available to referee same.

A PROTEST.

Mr. Shine protested against the postponement and stated that Athea played Mountcollins without some of their best players. He saw no reason for putting it off, and accordingly proposed that the match stand.

A vote was taken and the amendment that the match be postponed was carried by a large majority.

BRUREE NOTES

(From Our Correspondent).

Obituary.

I regret at having to announce the death after a brief illness of Mr. Patrick Meehan at his residence, Bruree. Deceased retired from service in the post office a few years ago and a more energetic, painstaking official could not be met with anywhere. He was popular with everybody and his death is much regretted.

Another Death.

The death occurred at her residence, Clonbrien, Bruree, of Miss Walsh. Deceased was a pretty good age, but was up and out a short time previously, so that the news of her death was a shock to the district. The late Miss Walsh was almost the remaining link of the Walsh's of Clonbrien, a grand old family, and her death is deplored.

Bruree Red Cross.

Flag-day in aid of the above was held at Bruree and Rock Hill on Sunday, 6th inst., and judging by the numbers I saw wearing badges the flag-sellers must have done their work well and reaped a rich harvest.

Meadowing.

Some sales of above have been held in this district, and the general price per acre is on the five pound mark. Notwithstanding the late start meadows got I understand that the crop is exceptionally good.
