In The Dark!

The public lighting of the town has been suspended for the past week or so with the result that the streets have been left completely in the dark at night. On enquiry it was learned that the arrangement is part of a general policy for all the towns in the county and is intended to help in conserving the supply of electricity for more essential services. So far the interruption of the system has not given much cause for complaint as usually the nights are reasonably bright. It is stated that a reduction will be given for the period during which the lights are being discontinued.

County Home Fuel.

The first consignments of turf under the County Council scheme were delivered at the County Home during the past week or ten days. The peat, which is being delivered in lorries, is described as of good quality and well up to the usual standard of the West Limerick product. A total of approximately five hundred tons is to be delivered to the Institution, in which arrangements are being made to provide suitable accommodation for storage.

L.D.F. Funeral.

Newcastle West L.D.F. group turned out at full strength on Sunday for the funeral of the late Mr. Edmund Cussen, a young member of the force, whose death occurred during the week-end in the early twenties. Deceased, who was a native of Dublin, had been residing for a number of years with his aunt, Miss Cussen, Cullinagh, and had been a member of the L.D.F. since its inception. Members of the force in uniform marched in the cortege under the command of Group Leader Mick Murphy from the local church to Churchtown Cemetery, where the interment took place. A firing party, under Mr. Terry O'Donnell, fired three volleys over the grave and the Last Post was sounded by a uniformed member. The officiating clergy were Rev. M. Quinn, C.C., and Rev. Father O'Grady. There was a very large attendance of the general public.

To Meet Ahane.

Newcastle West selection to meet Ahane at Croom on Sunday in the final of the 1940 Limerick Co. Minor Hurling Championship will be chosen from the following—P. McCarthy (capt.), P. Ahearne, S. Normoyle, T. Harnett, J. Lenihan, M. Lenihan, D. Flanagan, M. O'Shea, T. Roche, D. Hunt, P. Hynes, P.

...draw on the score 7 goals 2 points each.

The Carnival.

Elaborate preparations are being made in connection with the great carnival which takes place at Dromcollogher on Sunday next. Every detail has been carefully attended to and the entire proceedings should equal, if not excel, any of its kind in the county. The carnival details will be found on the advertising columns.

Fine Programme.

The programme on Sunday next deserves special mention. Feenagh and Kileedy meet in the final of the carnival tournament of 1940 and after last Sunday's display a record crowd is expected. The Kilmallock Pipers Band will be present and following the match will head a rag parade through the town and then Messrs. Perks amusements will be in full swing. A dance in a spacious marquee will bring the proceedings to a conclusion.

Recent Death.

The people of the town and district deeply regret the death of Mr. Tim Collins, Church Street, which took place after a prolonged illness. Of sterling character and cheery manner, he won the admiration and respect of all, and the funeral which took place to the local cemetery gave a fair indication of the popularity in which the deceased man was held.

KILL ACID AND END CONSTIPATION

When your stomach is full of excess acid it simply cannot digest your food. Every mouthful sours—your whole meal lies in your stomach a fermenting, lumpy mass. You get wind, nausea, heartburn—CONSTIPATION. Constipation, imprisons the poisons and waste matter inside your bowels, soaks your whole system with acid and starts the vicious circle of torture all over again.

But you can break free, if first you get rid of the acid.

For years doctors have been recommending the safe brand of ant-acid, 'Milk of Magnesia,' as a laxative because it has a double
