FALSE TEETH

benefit by reason of his cards not being stamped by the defendant?

Inspector Byrne said that, so far as he was aware, no one lost any benefit but it could happen.

PLEA FOR LENIENCY.

Mr. O'Donnell, pleading for leniency for the defendant, said Mr. O'Halloran had a contract with the Board of Health for the erection of cottages at Newmarket-on-Fergus and a substantial balance was still due to him on foot of that contract. If that balance were paid to the Bank his difficulties would be somewhat relieved and he would be able to carry on business even if only on a reduced scale. He was at present working a lorry in connection with the turf scheme.

The Justice said these insurance stamps were on a different footing from ordinary debts. In addition to the loss the Revenue might suffer, some employees might suffer seriously in loss of benefits owing to the neglect of the employer. When paying the men's wages every week it would be quite simple for the employer to make his contribution of 1/7 in stamps instead of letting the amount run on until it got to £43. Insurance contributions should be a first charge on the employer.

"A SERIOUS VIEW."

The State Solicitor said he had been instructed to ask the Court to take a serious view of the case.

The Justice said he was sorry for the defendant but could not do anything for him. There would be a fine of £1 on each of the 19 summonses, with 2/- costs on each.

MITCHELSTOWN NOTES

(From Our Correspondent).

The Fair.

The Mitchelstown cattle and sheep fair was held on Wednesday last. There was a fair supply of cattle. Prices ranged as follows:—Store cattle made from £6 to £7 each. Fat cattle averaged 45/- per cwt. Calves fetched from £3 to £3 10s. each. Lambs from 30/- to 60/- each, and hoggets from 50/- to 60/- each.

Mitchelstown Scales.

The price of pigs at above scales on Monday last was as follows:—Bacon pigs 80/- per cwt; sows 45/- per cwt. There was a moderate supply.

X-Ray Apparatus.

Rumour has it that an X-Ray apparatus is to be installed at the Fermoy County Hospital. All we can say is that it is about time something was done in the matter and so help to alleviate the sufferings incurred on poor people by bringing them to and from Cork for this treatment.

Swiss Consul.

The Swiss Consul, Mr. Charles J. Benziger, paid a visit to the Mitchelstown Creameries and Cheese Factory on Tuesday. He was met and shown over these spacious concerns by Mr. E. Roche, manager. Mr. Benziger expressed himself highly pleased with his visit, paying a high tribute to the manager and the staff under his control.

Emergency Food Committee.

At the meeting of above which took place on Tuesday last, the provision of fuel for the winter was discussed. It was unanimously decided that steps be taken in the near future to acquire timber for the poor of the district, and so help to tide them over those very hard months which lie ahead.
