... were readily sold; rates slightly in favour of vendors. Active enquiry was manifest for promising cows and heifers with quality and colour, for which there was keen competition; best cows and heifers freely bid for, top values. The trend in prices showed a stiffening tendency, the right stamp is wanted, and drew appreciable competition, and more useful cows and heifers could have been sold. There was a strong and sustained demand throughout the day. A larger turnover than last week. Market sold up. Dairy cows, best, £22 to £25 10s.; promising, £17 to £20; incalf and calved heifers, promising, £17 15s. to £22; ordinary, £13 to £17 5s.—Wm. B. Fitt and Co., Auctioneers.
