

and today's disappointment. Our experiences strongly affected the direful result. Many of our supporters following our President's (Padraig MacNamee) ruling for a neutral venue, strongly questioned the wisdom subsequently of leaving such a serious matter as the venue for a Munster final to the toss of a coin.

Of course, looking at the sporting side of the situation, had the coin favoured Limerick there would be no growling. Again, there was great uncertainty about our players. Many expected our champion team of last year, but even with this favour on that Cork pitch against that splendidly trained opposition it is questionable if we could hold them or beat them as we did last year in Thurles. This is fair comment. We are down at present but we will come up again. Every county gets its turn and surely Limerick cannot be an exception. We look now to our juniors at Ennis with the hope on next Sunday of achieving the highest honours and thus leading on to a brighter prospect for our seniors in 1942.

Ennis.—Limerick v. Galway.

We have a good junior team and even that they are somewhat of the smaller and lighter type they are hurlers. They should pull off next Sunday's game and again put some cheer into our old county for days to come.

List of Players.

Limerick—H. Wilson (Adare), J. O'Donoghue (Mungret), S. Riordan (Mungret), A. O'Donoghue (Mungret), J. Walsh (Granagh), T. McCarthy (Feenagh), P. McCarthy (Mungret), E. Tobin (Kilfinane), T. Toomey (Feenagh), O. O'Brien (Bruff), T. Murphy (Sarsfield), J. Foley (Ballybrown), J. Madden (Mungret), C. McCarthy (Feenagh), K. Foley (Kilfinane).

Subs.—M. Lyons (Eire Og), P. Murphy (Kilfinny), J. Fitzgerald (Mungret), P. Boyle (Cloughaun), P. Sheehy (Kildimo), P. Ahern (Eire Og).

Roscrea.—Dublin Win by 2 Points.

A two points victory often figures in our big games. Galway deserves great credit for running Dublin so close in last Sunday's semi-final. We cannot take Dublin's narrow win nor Cork's majority as a criterion for the All-Ireland final. Like Cork at home, Dublin at Croke Park will be worth a few more points, so the Leaders need not, nor will they, judge the issue on the results of the semi-finals.

and was one of the kindest of neighbours and was always ready to give a helping hand to those in trouble.

MR. JEREMIAH KENNELLY.

We regret to announce the death of Mr. Jeremiah Kennelly, Dernish Avenue, Foynes, which took place at the County Infirmary, Limerick, on Wednesday evening, 10th September. He was a native of Kilcoleman parish, where his brother, Martin, and family reside. Deceased had not been well for some time, so his death was not altogether unexpected. He had been resident in Foynes since his retirement from the Chicago Police Force a few years ago. Whilst in Chicago he moved in the best Irish circles, being always welcome, as he was a great violinist. On Tuesday evening the remains were brought to Foynes Church, where the Rosary was recited by the clerk, Mr. F. O'Donnell. Requiem Mass was celebrated by Rev. Father Quinlan, C.C., on Friday morning, and at noon the funeral, which was large and representative, took place to the family burial ground at Kilsannell Cemetery.

The officiating clergy were:—Very Rev. Canon Rea, P.P., V.F., Shanagolden; Rev. Father Quinlan, C.C., Foynes, and Rev. Father O'Byrne, C.C., Shanagolden.

The chief mourners were:—Mrs. Kennelly (widow), Martin Kennelly (brother), Michael, Frank and John Kennelly (nephews), Mrs. O'Donnell (sister), Mrs. M. Kennelly (sister-in-law), John and Minnie Heffernan (cousins).
