pect the West to be ready in October for them. The cattle plague held up all the championships here and in order to make up for lost time they had matches clashing, with a financial loss to the Board. In the past, the west had often to wait till May for county finals.

Mr. Neville stated that it should go forward from the Board that the west is not in a position to play so soon.

Father Kelly, C.C., Granagh, stated he would not be in favour of nominating a team to represent the West in the final, as it would be a most unsatisfactory arrangement. He explained how Granagh looked for a postponement last year and it was turned down and another match was put off a short time afterwards for less cogent reasons.

Chairman — If Granagh were allowed to play last autumn, they could play.

It was finally decided to communicate with the County Board and to state that the West Board would be ready for the finals early in November.

### CONGRATULATIONS

Mr. William Sheahan congratulated the County Juniors in their victory in annexing All-Ireland honours and paid a glowing tribute to their goal-keeper, Mr. Wilson, who happened to be present.

Mr. Wilson very suitably replied.

The next meeting was fixed for Knockaderry, on Tuesday, 7th October, at 7 p.m.
