UNIQUE CONCERT

COMING TREAT FOR LIMERICK

All the boat clubs of Limerick are
joining with St. Michael's in pre-
sents a unique concert at the
royal on Halloween, October 31st.
The programme, which will com-
mence at 11.15 and conclude at
10 a.m., will include such well-
known artists as Maire Ni Scolaidhe,
who has been universally accepted
as the greatest singer of Irish
songs in our day. Another out-
standing personality will be
Christopher Casson, who is perhaps
best known as one of the Gate
Theatre Company's leading charac-
ter actors. It might be mentioned
in passing that he is the son of the
famous Sybil Thorndyke, an actress
of international fame. Mr. Casson
will appear on this occasion, how-
ever, in another role. At a quasi-
private recital in Limerick some
time ago he created a sensation by
his spirited rendering of our most
popular Irish ballads, which he
sang to the accompaniment of the
traditional Irish harp, more pro-
perly called the "cruit." It is
hoped also that the programme will
include Jimmy O'Dea and May
Vitt, Ireland's outstanding opera-
soprano. Sparkling comedy will
be provided and our local comedians
will appear in entirely new and
original roles. The object of this
concert must appeal to the sporting
community of Limerick, for the
proceeds are being directed towards
repaying an urgent debt of £300 due
to the builders of St. Michael's new
club. A bumper house is ex-
pected so it would, therefore, be
advisable for those interested to
purchase their tickets early. We
understand that a ticket bought is
seat secured.

WEEKLY CATTLE AND SHEEP MARKET.

Wednesday, October 8th.—Cattle
—Entry extra, heavier dimensions,
just 300 head. Good proportion of
strong and aged cattle; largest
supply of beef for the season;
trade in this department well up
to current prices, steady demand.
Handy weighted heifers and bul-
locks readily cashed. Young cows,
well done, easily cashed, ready ex-
change; oldish and rougher sorts
also changed hands. Nicely done
fat cattle sold readily at full cur-
rent values. Good clearance effec-
ted in this department. Strong
and forward cattle found ready
buyers. Useful well-bred stores
with quality met a fair selling
trade at current rates. Bullocks
active demand at full value. The
choicer lots drew a bit more
money. Business routine worked
out on the lines of last week. Pro-
mising young cattle freely bid for
and sold; quality and condition
firm demand. Plainer types, and
cattle short of finish difficult to
cash. Result of day's proceedings
much heavier "turnover" than last
Wednesday. The biggest market
of the year, and heavy volume of
transactions during the day. Good
clearance.

Fat heifers and bullocks, best,
£17 5s. to £20 15s.; second run,
£14 5s. to £16 10s.; fat cows, best,
£14 10s. to £16 10s.; second run, £11
to £14 5s.; 1½ years old bullocks and
heifers, £9 to £11; second run,
£6 11s. to £8 15s.

Sheep—Heavy entry, a better
class in general. Strong attend-
ance of buyers. Good sheep readily
sold, and made full values. Nice
quality hoggets found favour, and
steady sale; purchasers operating
more freely. Prime sheep com-
manded attention; sufficient de-
mand for more of this class. Ven-
dors secured advantage in rates.
Full current values ruled. Fresh
ewes with quality found buyers,
a good show of feeders, for which
there was fair enquiry. Fat lambs,
active demand; stores hardly as
firm as last week; useful pens
cashed. Business worked out on a
steady routine, wound up strong,
with a practical clearance effec-
ted.

Two year olds, 61/- to 70/-; hog-
gets, best, 63/- to 71/-; second run,
55/-, 62/-; stores, 44/- to 52/6;
ewes, best, 50/- to 61/-; second
run, 27/- to 47/6; lambs, fat, best,
56/- to 63/-; second run, 42/6 to
50/-; Stores, 27/- to 40/-; Kerry
hoggets, 37/6 to 42/6.—Wm. B.
Fitt and Co., Auctioneers.

THE PADDOCKS, LIMERICK.

WEEKLY DAIRY MARKET.

Tuesday, October 7th.—Numeri-
cally the entry totalled something
less than last week's figure and
consisted of an average useful
class, including a number of pro-
mising dairy cows and heifers.
Strong attendance of buyers, a
number wanting choice cows, which
were scarce, and when this descrip-
tion came under the hammer they
attracted special attention and
sharp competition, buyers being
quite willing to part top rates;
enquiry for this class was strong
and active and more could have
been sold. Promising cows and
heifers sold readily and the general
tone of the market indicated a
firmer trend in rates and showed
an advance on last Tuesday. Mar-
ket sold up. Top price of the sale
for dairy cows went to Mr. Michael
Scanlan, Cunigar, Askeaton, at
£25 10s. Mr. John Hannan, Cor-
bally, Limerick, obtained top price
for heifers at £24. Choice dairy
cows, £21 to £25 10s.; promising,
£18 to £19 15s.; ordinary, £13 to
£16 10s.; in-calf and calved heifers,
best, £21 to £24; promising, £17 10s.
to £18 15s.; ordinary, £15 5s. to
£16 10s.—Wm. B. Fitt and Co., Auc-
tioneers.
