Pain after Meals

Is your stomach still struggling
with your last meal? You're gasp-
ing with wind and doubled up with
indigestion. Why? Because your
stomach is always too acid. It sours
every mouthful. It turns meat into
poison. You can stop these agonis-
ing attacks this very day by taking
Milk of Magnesia Tablets. They
relieve acidity at once. No matter
what you eat, your stomach makes

BRUREE NOTES

(From Our Correspondent).

Agricultural Classes.

The above will be held at Gran-
agh National School on Monday,
January 5th; on Monday, January
12th; on Tuesday, January 13th,
and on the remaining Monday and
Tuesday nights for January and
February. The lectures will com-
mence at 7 o'clock (old time)
each night and will be delivered by
Mr. Spain, instructor in agriculture.

Critical Times.

We are all aware of the critical
times we are passing through and
fortunately cannot see into the
future, but the remedy of one vital
danger, i.e., food scarcity, lies to
some extent in our own hands, so
that it would be well if all the
young men in the Granagh area,
farmers and labourers, attended
these lectures and put into imme-
diate practice the instructions they
will receive from Mr. Spain.

Recent Deaths.

I regret having to record the
deaths of the following parishioners
quite recently:—James O'Connor,
Ballyfookeen, Bruree, interred at
Castletownconyers; Mrs. Mary
O'Regan, Bruree, and L. Fenton,
Cappananty, both of whom were
buried at Bruree. The passing
away of Larry Fenton removes al-
most the last link of the Bruree
hurling team which brought hon-
our to the district away back about
1890, under the leadership of the
late Larry.

Coursing Club.

The committee of the Rockhill
Coursing Club are now getting busy
so that everything will be in apple-
pie order for their annual meeting
on January 22nd.

DROMCOLLOGHER GOSSIP

(From Our Correspondent)

Christmas.

The great Feast of Christmas
celebrated in Dromcollogher in
usual fervent manner and ha
sociated with it all the impre
ness of former years. At the
Mass on Sunday morning the
participated and the large num
who approached the altar rails
sent a most edifying spec
while all during the day hun
visited the beautiful Crib in
parish church.

Minor Hurling.

During the week an obje
was lodged by Kilfinny ag
Dromcollogher being awarded
minor hurling championship
will be recalled that Dromc
