

The Late Miss M. Keyes

By the death of Miss Moira Keyes at her residence, Ballycally Road, Limerick, which occurred on Wednesday last a highly esteemed Limerick family has been sadly bereaved. Daughter of Mr Thomas Keyes, and niece to Mr M J Keyes, B.C. & Co, the deceased young lady had won a niche of her own amongst a wide circle of friends. The deceased was a member of the staff of Messrs Wm. Todd & Co, and in sporting circles was a member of Rathbane Tennis and Constitution Hockey Clubs. She contracted a cold some years ago from which she never fully recovered, and her early demise has come as a severe shock to her parents and relatives.

In the deep sympathy which is felt for them on all sides, we sincerely join. This feeling with the bereaved was strongly evidenced in the numerous multitudes which accompanied the remains to St. John's Cathedral on Wednesday evening. Requiem High Mass for the repose of the deceased's soul was celebrated on Thursday morning, and the funeral in the afternoon to Mount St. Lawrence Cemetery was representative of every class in the city and adjoining districts.
