

Sad Death

Limerick Child Killed in Kilkee

The deepest sympathy will be felt with Mr G B Dillon, contractor, and his wife, of St. Anne's, Clancy Strand, Limerick, on the death under tragic circumstances of their darling son, Gerard, as the result of an accident at Kilkee on Thursday. It appears that the little boy, who was about 6 years of age, and who was on holiday at the West Clare resort with his mother, was knocked down by a bus on the Albert Road receiving injuries which proved fatal. The news caused a painful sensation in the city, where the bereaved family is deservedly held in the highest esteem.

The remains arrived in the city this (Friday) evening.
