
Nurse's Death

Health Board Sympathy

At the meeting of the County Board of Health, in the course of his monthly report Dr McPolin said he regretted to have to report the death of Nurse M Higgins, Public Health Nurse, since last meeting.

The chairman said they all regretted to learn of the death of Nurse Higgins, who had given every satisfaction as an officer of the board. He proposed that the sympathy of the board be extended to the bereaved relatives.

The vote was passed in silence.
