## Sympathy at District Court

At the City District Court, Mr J M Flood, D J, said that before the business of the court commenced he would like to give expression to the feelings of regret felt both by himself and the members of the solicitors' profession on the sad news of the untimely death of Mr Goodbody. Three years ago Mr Goodbody had been admitted as a solicitor to Limerick and since that time both inside and outside the profession he had given promise of a successful and brilliant future. He wished to convey to the relatives, on behalf of those associated with the court, deep sympathy on their bereavement.

Mr Flood-Smyth said that on behalf of the profession he wished to be associated with the expression of sympathy. Mr Goodbody had given promise of a brilliant future before he met with this accident which resulted in his untimely death.

Supt Denneby also associated himself with the expression of sympathy on behalf of the Garda authorities.
