James Wallace, one of the defen-
dants, said he had no suspicions
that the articles were not properly
received.

JUSTICE'S DECISION.

The Justice said no amount of
evidence would convince him that
the defendants had not acted as
receivers. He would order Wallace,
his wife and Mrs. Egan to pay £1
each into the Court to be devoted
to the poor of Limerick and he
would make a similar order in
respect of the defendants, Williams
and Dwyer.

DEATHS IN GLIN DISTRICT

The death of Mrs. Timothy Hunt,
Keary, Glin, is deeply regretted.
Deepest sympathy is tendered to
the family in their bereavement.
Very Rev. Canon O'Carroll, P.P.,
and Rev. Father McCarthy, C.C.,
officiated at the graveside.

The demise of Mr. Michael Dore,
son of Mr. Michael Dore, Glin, at
the early age of 21 years, has
come as a great shock to the com-
munity. A member of a highly
respected family, the deceased was
held in very great esteem. The
funeral was of huge proportions.
The parish clergy officiated at the
obsequies.

A NICE LICENSING POINT

It was stated during the hearing
of a licensing prosecution in Ennis
(writes our Ennis correspondent)
that a third endorsement automa-
tically extinguished the licence
even though there was an appeal
pending. Arising out of this case
some lawyers pointed out that the
first endorsement expired in five
years, the second in seven years,
and that if any of the endorsements
had expired there would not be
three, therefore, it would not be
extinguished.

LIMERICK'S MARRIAGE RATE

Cork City had the highest
marriage rate in Eire during 1940
with 9.13 per thousand of the popu-
lation. Limerick City had the
second highest marriage rate with
9.01 per thousand. Births and
marriages increased in the country
generally. These facts are revealed
in the Registrar General's report
for 1941.

CIGAR REALISES £129

At the boxing tournament at the
Royal Albert Hall, London, an
auction in aid of the R.A.F. Bene-

devotion to Christ's interests. But
those of us who have the interests
of Christ so much at heart cannot
but feel anxious about the future
state of our country when we hear
reports — unfortunately too well
founded—of drinking excesses at
seaside resorts and local dances,
especially amongst young girls.

AN EVIL IN OUR MIDST.

This is an evil in our midst. Are
we going to tolerate this festering
source of sin and corruption at
our very doors? For such as these
the Heart of Jesus ached upon the
Cross of Calvary. Here is a work for
Pioneers, the noble Brigade of
Guards—a work glorious for the
cause of temperance, glorious for
the interests of the Sacred Heart.

All information concerning the
Pioneers can be had at the Pioneer
Room, The Crescent, on Tuesdays
(8 p.m.), for women, and Wednes-
days (9 p.m.), for men.

FR. HAYES TO LECTURE IN LIMERICK

Rev. J. M. Hayes, C.C., Tipperary,
founder of Muintir na Tire, will
lecture at the Grand Central
Cinema, Limerick, on Sunday even-
ing, 22nd February, on the "Irish
in the Argentine." The lecture
will be illustrated by 100 lantern
slides. The lecture will cover a
description of the Eucharistic Con-
gress held at Buenos Ayres, at
which Father Hayes was the
special preacher. This will be the
first time that Father Hayes has
lectured in Limerick outside his
Muintir na Tire activities. The lec-
ture will commence at 8.30 p.m.,
and the proceeds are in aid of the
Janesboro' New Church Building
Fund.

TO PURCHASE PHEASANTS EGGS

The committee of the Belville
preserves (writes our Kilmeedy
correspondent) decided at a meet-
ing held on Sunday last to pur-
chase pheasants' eggs for the pur-
pose of stocking the preserves. Any
farmer wishing to receive a num-
ber should communicate with the
hon. sec.

TEA FROM U.S.A.

According to our Kilmeedy cor-
respondent, large quantities of tea
from friends in America arrived in
the Kilmeedy and Feenagh dis-
tricts during December and Jan-
uary. It may be mentioned that
the duty on parcels of tea coming
into this country is 2d. per lb.
