Numerous Mass cards and messages of sympathy were sent by friends and sympathisers.

#### MR. P. ANDREW, TREATY TERRACE.

The death of Mr. Philip Andrew, which took place at his residence, 5 Treaty Terrace, Thomondgate, on Wednesday, 11th February, marked the passing of a man respected and admired by all who knew him. The deceased, who lived to an advanced age, was a well-known figure at the Limerick Docks, where he held the position of grain superintendent till his retirement some years ago.

The funeral, which took place on Friday to the family burial ground at Mount St. Lawrence Cemetery, was a large and representative one and a fitting last tribute.

Very Rev. Canon O'Dwyer, P.P., V.F.; Rev. Father Minihan, C.C., and Rev. Father Ryan, C.C., St. Munchin's, and Rev. Father Curtis, O.S.A., officiated at the graveside.

The chief mourners were:—Mrs. Morrissey (daughter), Tom Andrew (son), Patricia and Tom Morrissey, Mrs. Bourke, Mrs. Keane, Phil, Tom, Gerard and Eileen Andrew (grand-children). Mrs. Andrew (daughter-in-law).

The following sent Mass cards—Daughter, Annie; Tom, Mary and family; Patricia; Mary and Frank; Tom, Ger. and Eileen; Phil and Bridie; Mrs. K. Meehan and Maureen; Molly and Dick; Arch-Confraternity of the Cincture; John Meaney; Dan Bourke, T.D.; Beatrice and Charlie Dunbar; Tom and Chrissie; Aggie.

Flowers were received from—Daughter and grand-daughter, Mary and Frank.

#### MRS. DILLON, KILLURAGH.

Widespread regret was caused by the death of Mrs. Mary Dillon, which occurred at her home, Killuragh, Pallasgrean. The deceased lady was sister to Very Rev. Canon Foley, P.P., Drumcollogher, and mother of Rev. Father John Dillon, Barry Docks, South Wales, Sr. M. Philomena and Sr. M. Baptist, St. Mary's Convent, Limerick, Sr. M. Michael, Port Elizabeth, South Africa, Sr. M. Augustine, Presentation Convent, Limerick. She had endeared herself to all with whom she came in contact by her cheery, hospitable and generous ways. She was a great Catholic, and a splendid mother.

Kerry venue.

#### Building Up.

Limerick Gaeldom will be delighted that our leaders are arranging a competition between our senior hurling teams of city and county. The prize will be a set of medals which they have on hands for some time. The Board—City, East, West, South—will arrange the conditions between the clubs of the areas and eventually a play-off will take place between the winners of the different districts. It is hoped to pull off the first round of clashes before the start of the championship games. As the season must begin early to finish at the end of October this tournament will start immediately following the first meeting of our County Board on the 21st inst.

#### Agenda For The County G.A. Board.

1. To receive affiliations of East Limerick Clubs for 1941.
2. To appoint delegates to the next Convention.
3. To deal with motions 4 and 5 referred from Convention.
4. Fix all outstanding matters.
5. Any other business of the Board.

Another important meeting of the Board will be held on the 28th March. Agenda and particulars will be published next week.

#### League and Knockout System.

Leaving the decision to the Hurling Clubs to fix the system to decide the Eastern Championship is to be commended. The majority of the clubs decided in favour of the knockout system. The fact of any one club holding control over a district affecting clubs is not by any means democratic. I could never understand such an arbitrary motion being passed at a convention. There is no grievance when the majority number decides the issue.

#### Railway Cup Final—Munster v. Leinster.

On last Sunday the Connacht or I may write the Galwegians the whole team came from the county—went down before Leinster at Ballinasloe, so Munster lost our Eastern friends on St. Patrick's Day at Croke Park. It was rather an astonishing experience that the pick of one county should not combine as well as a selection from different counties. We must always let's G down.

#### Limerick Hurlers' Advancement.

Our congratulations to Dr. McCarthy for showing his loyalty in the examination of similar to his hurling on the pitches. Dr. Jim was one of the great backs in the winning of the 1940 All-Ireland Cup.
