Meany, Tim and Mary Dillon (grandchildren).

MR. J. LEE, GLENBROHANE.
We deeply regret having to record the death of Mr. John Lee, which sad event took place at his residence, Glenbrohane, on Saturday, 17th inst. He had been in a delicate state of health for a rather protracted period but recently his illness took a serious turn and he peacefully passed away comforted and consoled by the rites of Mother Church. He was brother of Rev. V. Lee, St. Mary's Church, Washington, and of Sister Berchmans, Convent of Mercy, Newcastle West. The happy possessor of a genial and kindly disposition, he was held in well-merited esteem, especially by his neighbours, who regard his death as a personal loss. A devoted and loving husband and father, he will be sadly missed in the home, and deepest sympathy is felt for his wife and family in their bereavement. His remains were removed to Glenbrohane Church on Sunday evening and on Monday, after Office and High Mass were offered for the repose of his soul, the interment was made at the family burial ground at Ballinacarry. The officiating clergy were: Rev. Father O'Donnell, P.P.; Rev. Father Kennedy, C.C.; Rev. Father Fogarty, P.P.; Rev. Father Ronan, C.C., and Rev. Father Crowley.—
P.I.P.

to see our hurlers going ahead in every department. Davy comes from a hurling family and one of the oldest hurling districts in our county, Sallymount, Castleconnell.

DEPARTMENT OF POSTS AND TELEGRAPHS.

NOTICE IS HEREBY GIVEN, pursuant to the Provisions of the Telegraph Acts, that the Minister for Posts and Telegraphs, having obtained the consent in that behalf of the body having the control of each public road described below, intends to place a Telegraphic line over and along each said public road, and for that purpose to erect and maintain posts in and upon the same under the powers conferred on him by the said Telegraph Acts.

By Command of the Minister for Posts and Telegraphs.
From St. Flannan's Cathedral, Killaloe, to a point opposite Clarisford House, Killaloe.

THE LATE JOHN FINNIN, LONG ISLAND.

The demise of Mr. John Finnin (junr.), at his residence, 2nd Avenue, Central Islip, Long Island, U.S.A., on January 26, is chronicled with deep regret. The deceased, who was the son of John and the late Catherine Finnin, of Windmill Street, left Limerick 13 years ago. During all that time he was attached to the Central Islip Hospital, where he was held in the highest esteem by the medical staff, and with all those with whom he contacted. He was a member of St. Michael's Rowing Club both here in Limerick and in New York. The funeral to St. John of God's Cemetery after Requiem High Mass was large and representatively attended, and testified as to high regard the deceased enjoyed in the business life of Long Island.

To his bereaved widow, formally Miss Ellen Griffin, Tuogh, Adare, the deepest sympathy is extended. He also leaves four in family of tender years.

ARMS USELESS ON
WET DAY

Rheumatism Made W
Torture

But Kruschen Put Him

Here is a remarkable instance of the manner in which damp weather can affect the joints of one subject to rheumatism.

"I had been suffering from rheumatism very badly," writes, "and had had such pain in my joints that I could hardly walk. It used to be terrible on wet days. I did not know how to get my arms, and when I was at work it was real torture. I tried many different remedies for rheumatism but I was still as bad after the treatment."

"Then I was told to try Kruschen Salts, and after using one bottle I found relief. So of course I kept on with it, and I am now thoroughly better and have not felt so fit for years. I used to be so miserable and sluggish, but now it is a pleasure to be able to walk instead of a dread."—S.B.

The system of the rheumatism which produces excess uric acid in the blood, if you could see the knifelike crystals of uric acid under a microscope, you would understand why they cause such cutting pains. Kruschen's salts dissolve those crystals and expels them from the body. Moreover, it keeps the system so clean and serene that uric acid crystals cannot accumulate again.

Kruschen Salts is obtainable from all Chemists. Price, 1/9 per bottle.
