

## TO HELP WORTHY PROJECT

ated lecture entitled "The Argentine" will be delineated at the Grand Central Cinema on a Sunday evening next at Hayes, C.C., Tipperary, in the Muintir na Tire Oratory. This lecture, illustrated with lantern slides, deals with the characteristics of the Argentine Congress held in Buenos Aires in 1934, and is in aid of the 'Cottiers' Church Building. Tickets of admission:—Background floor, 1/-. Father O'Grady is a fine speaker and his lecture is to be most entertaining and enlightening. This, coupled with the great worthiness of the cause to be served, should attract a large house.

## NEW APPOINTMENT.

appointments are extended to Miss Byrane, Brackile, on her recent appointment as Dairy-Inspector at the Pallas Co-Operative Creamery. Miss Byrane, who was previously in Sligo, had been engaged as a Dairy-Inspector in Sligo previous to her appointment here. She received her education at Brackile National School and later was a student at the Munster Institute, where she qualified for her diploma as Dairymaid. Her appointment is a very popular one and is highly appreciated in the district.

## IRISH COAL SUPPLIES

steps have been taken to increase production in Irish coal. It is learned that the G.W. Union are making arrangements for the setting up of a committee in the mining areas to advise the managers. This is in accordance with the decision of the Government to amend its Standstill Order to permit the payment of a 10 per cent. increase, plus an incentive bonus of 1/- per shift, to the workers.

writes our correspondent there, who adds that the farmers are very generously co-operating with the cottiers and small holders by giving them the use of their horses and agricultural machinery.

## ABLINGTON COW-TESTING ASSOCIATION.

Master Michael O'Grady, Cap-anahana, was at the annual general meeting of the Abington Cow-Testing Association (writes our Newport correspondent) elected a member of the committee in room of his late father, Mr. Thomas O'Grady. Master O'Grady is the youngest member attached to any branch of the Cow Testing Association in Ireland, and his election has been received with entire satisfaction. He is nephew of the late Mr. John O'Grady, the world-renowned weight thrower.

## FORMER COUNTY SHERIFF DEAD.

The death occurred some days ago of Mr. Richard Copeland Langford, Kilcosgrove, Shanagolden. A former Justice of the Peace, he was High Sheriff for Co. Limerick in the year 1920. Mr. Langford was aged 89 years. The funeral took place to the family burial vault at Shanagolden burial ground. The casket containing the remains were borne on a farm cart.

## IRISH COAL.

Mr. Lemass, replying in the Dail to Mr. Hickey, said that in December, 1941, it was estimated that the output of coal in the Arigna area was at the rate of 65,000 tons per annum. Approximately 300 men were then employed.

## BULL INSPECTIONS

At Athea annual bull inspection 11 were passed out of about 30 animals presented. At Abbeyfeale 16 were passed out of 27 and out of 45 presented at Mitchelstown 35 were passed.

necessary to have about 650,000 acres under wheat to supply the home requirements of the community during the cereal year 1942-43, including the provision of seed for the following year's crop. It was not possible, he said, to state what wheat acreage had been sown already this season.

## RED CROSS FUNCTION AT DROMCOLLOGHER

A very pleasing function took place at Dromcollogher at a social organised by the ladies of the Home Nursing Class. Mr. O'Reilly, divisional director, and Captain Laycock were the guests of honour and a most enjoyable evening was spent. Subsequently Mr. O'Reilly and Captain Laycock addressed a large gathering and made a strong appeal for recruits for the voluntary services.

## NEW P.C.

Mr. William O'Keeffe, Corner House, Kilfinane, has been appointed Peace Commissioner. Mr. O'Keeffe, who is Group Leader of Kilfinane L.D.F., is a successful and enterprising business man and is deservedly popular in Kilfinane district, where his appointment has given general satisfaction.

## IRISH SALMON MARKET

Discussions have been taking place during the last few days on the proposal of Lord Woolton to purchase all exports of salmon from Eire. Mr. J. D. Rush, of the Fisheries Branch of the Department of Agriculture, took part in the talks.

## NEW DISPENSARY

The old Kilmallock dispensary, which had long ago fallen into a state of decay, has been replaced by a new one, which is situated near the residence of the Dispensary Medical Officer. The new building is constructed on the most modern lines and will certainly prove a great benefit to the poor of the district of Kilmallock.
