

Wednesday, February, 17th:—Full seasonable entry, good average class, including a number of choice heifers; weather conditions favourable, a fair number of buyers present. Business dragged a bit at the beginning, as vendors held for rates which buyers were not willing to give, and consequently trade was not as active as previous markets, and prices were not as good; secondary heifers did not appeal to buyers, these were tedious and difficult to place; nicely bred promising, soft heifers were wanted and bid for and made around current rates, but all round the average was not up to recent figures. The bulk of the useful heifers changed hands. Dairy cows met a good enquiry; strong demand for young cows with substance and quality. Full average turnover.

Top price of the sale for in-calf heifers went to Mr. Thomas O'Donnell, Kilmoreen, Kildimo, at £26 10s. 0d. Top price for dairy cows went to Mr. R. Walker, Manister, Croom, at £28. In-calf heifers, promising £22 to £26 10s.; ordinary, £19 10s. to £22 5s. Dairy cows, best, £22 to £28; ordinary, £16 10s. to £19 15s. Yearling bulls, £13 10s. to £16 10s.—William B. Fitt and Co., Auctioneers.

Where we all must go in a few days more. When we'll meet dear Pat on Eternity's shore.

Farewell till then, a long farewell.

Our darling, bright and brave.

After long years, dead hopes and fears.

We will meet beyond the grave.

So bright a gleam, so dear a dream.

So few the happy years.

A loving past, too fair to last.

And nothing left but tears.
