## OBITUARY

### MR. R. F. RYAN.

The funeral of Mr. Robert Frewen Ryan, proprietor, Glentworth Hotel, Limerick, which took place on Saturday last to Mount St. Lawrence Cemetery after Requiem High Mass in St. Michael's Church, was of immense proportions. The late Mr. Ryan, who was a member of a prominent Co. Tipperary family, was one of Limerick's leading citizens, and his demise, though not unexpected, caused profound regret and sorrow not only in Limerick but throughout Munster. He was a brother of the late Right Rev. Dean Ryan, P.P., V.G., Cashel, and in that connection it might be observed that many other near relatives adopted the religious life.

The late Mr. Ryan was identified with the commercial life of Limerick for over fifty years and was well and popularly known in all parts of the country. Of a very affable and genial disposition, he made hosts of friends and it is no exaggeration to say that he commanded the confidence esteem and respect of all with whom he came in contact. His cheery disposition was most infectious and, needless to say, his companionship was much sought after. He was a fine type of Irish gentleman, debonair, witty, kindly, gracious and, above all, charitable. His passing has severed a link with a generation that produced many sterling figures and all who had the pleasure of his acquaintance mourn his death. Deep and heartfelt sympathy is tendered to his widow and family in their great bereavement.

The Solemn Requiem High Mass was celebrated by Rev. T. B. Ryan, C.C., Cabra, Dublin, son of deceased. The deacon was Rev. M. Cusack, C.C. (nephew); sub-deacon, Rev. F. Frewen, C.C. (cousin); and master of ceremonies, Rev. R. O'Sullivan, C.C., St. Michael's.

The officiating clergy were:—Very Rev. Canon McCarthy, P.P., V.F., Hospital; Rev. W. J. Carroll, Adm., St. Michael's; Rev. P. J. Hewett, P.P., Kilmurry-McMahon; Very Rev. W. Dargan, S.J., Rector, Clongowes; Very Rev. J. Gubbins, S.J., Rector, Limerick; Very Rev. F. McArdle, O.P., Prior, St. Saviour's, Limerick; Very Rev. J. B. O'Donoghue, O.S.A., Provincial; Rev. J. Curtis, O.S.A.; Rev. Dr. Cowper, C.C.; Rev. J. White, C.C.; Rev. J. Chawke, C.C.; Rev. T. Lyons, C.C.; Rev. T. P. Kelly, S.J.; Rev. R. Dillon-Kelly, S.J.; Rev. Father Brosnan, C.S.S.R.; Rev. Father Hartigan, C.S.S.R.; Rev. Father Costello, O.P.; Rev. Father Maurice, O.F.M.; Rev. Father Ultan, O.F.M.

The chief mourners were:—Mrs. K. Ryan (widow), J. F. Ryan (brother), Rev. T. B. Ryan, John, Innocent, Robin, Gerard, Edward and Michael (sons), Mrs. C. Godfrey (Liverpool), Mrs. R. P. Rice (Dublin), Miss T. Ryan, Miss F. Ryan and Miss P. Ryan (daughters), Rev. M. Cusack, C.C.; Dr. M. K. Cusack, Mr. John Cusack (nephews), Mrs. S. Rice and Miss P. Ryan (nieces), Rev. M. Frewen, C.C. (cousin).

It would be utterly impossible to give a complete list of the general public present at the obsequies.

### WARBLE FLY (TREATMENT OF CATTLE) ORDERS, 1936 AND 1939.

The Minister for Agriculture desires to remind stock-owners that the treatment period under the above-mentioned Orders commences on the 1st March. Any cattle visibly infested with the larvae of the Warble Fly must be dressed between the 1st and 7th days of each of the months of March, April, May, June and July with a cattle wash approved by the Minister.

Cattle dealers and exporters, as well as farmers and other stock-owners are liable to prosecution by the Minister and to penalties under the Diseases of Animals Acts if they are found to be in possession or in charge, at any place in this country, of cattle which are visibly infested with warbles and have not been dressed as required by the Orders.

D. TWOMEY, Secretary,  
Department of Agriculture, 23rd February, 1942.  
N.2141.

### FARMERS—READ THIS!

Many farmers are of the opinion that there is no cure for that terrible disease in calves commonly known as White Scour or Calf Dysentery. Recent experiments, however, confirm the claims made for Bistol No. 1 Grade A. This liquid gives 100% cures and farmers are advised in their own interests to have a bottle always available and to dose at the first symptoms of the disease. Bistol may be obtained locally from your co-operative creamery or chemist and the price is 6/6 per bottle of 20 doses. If you are unable to get Bistol from the usual suppliers write to the makers, Messrs. Watsons, Manufacturing Chemists, 61 South Great George's St., Dublin, enclosing 7/6. Remember the name—Bistol—and insist on getting this remedy, as it gives the best results. (f.apl.4c)

## SHE HAD BLIND HEADACHE

Tablets and Figs Had No Effect,

Kruschen Got at the bottom of this woman's headache. This woman's headache was the black, blinding kind that made the sufferer to something lessness. She tried tablets and Figs. But the deeper for such treatment they failed, Kruschen succeeded. "I used to get frightful headaches," she writes. "They were terrible. No tablets or Figs could cure them. I was taking, casually, I tried Kruschen in a glass of hot water. I was taking it, but I have not those awful headaches since. Kruschen suits me better than any other liver tonic. I find it good."—(Mrs.) L.A.W.

Blinding headaches are always traced to the stagnating waste matter which poisons the blood. The Kruschen stimulate the organs to healthy, regular action, so that no clogging waste to collect and contaminate the stream. Your inside is always and serene. Result—no headaches, to that salacious, to that lack-lustre system never "stales" the system. There is never a need for increased doses. When the "doses" are gone, the "doses" is all you will ever need to keep you regular. Kruschen Salts is obtained from Chemists. Price, 1/9 per
