McDonnell, C.E.; W. F. Treacy.

## OBITUARY

### MRS. ALOYSIUS CONROY.

With much regret we announce the death of Mrs. Aloysius Conroy, Shelbourne Avenue, Limerick, wife of Mr. John Conroy, Secretary of the Limerick Branch of the Irish Transport and General Workers' Union. Deceased, who passed away on Wednesday at the residence of her sister, Mrs. Byrne, Bond Street, Wicklow, was a lady of great charm of manner and was held in the highest respect by all classes. She was second daughter of the late Wm. and Margaret Turner, Wicklow, and sister of Mr. John Turner, member of Wicklow Urban Council, and of Mr. Matthew Turner, contractor, Wicklow, also a member of Wicklow Urban Council. The late Mrs. Conroy was of a genial, kind-hearted disposition and her demise at an early age has caused the deepest sorrow amongst her many friends in Limerick as well as amongst those in her native Wicklow. To her bereaved husband and two daughters and the other sorrowing relatives we extend our very sincere sympathy. The funeral took place to-day from St. Patrick's, Church, Wicklow, to Rathnew Cemetery.

rick has to go to Cork to me Waterford. Should Limerick have met Clare and Tipperary in Waterford they could hurl on the border fields—Ennis Road and Clonmel. Such would save the expenses of travelling. Cork comes in the semi-final. I did not notice Thurles in any of the venues. The "Cradle," I presume, will be used for the finals.

## BISHOP KEANE CUP

In the re-play of the first round match of the Dr. Keane Cup competition between "Christians Limerick and St. Munchin's College played at the former's ground on Wednesday last, resulted in a win for the College boys on the score of 5 goals 4 points to 3 goals 4 points. It was a thrilling game throughout with splendid hurling being the order. A full report of this game will appear on Monday night.

**COLDS  
GO QUICK  
WHEN YOU'RE  
RUBBED WITH VICK**

The healing 'Vick' vapours quickly clear your head, soothe irritation, ease the cough. At the same time, like a poultice, 'Vick' warms away tightness in the chest. This double action routs most colds overnight!
