changed hands; a steady sale for sheep fit for the trade and no difficulty in cashing this class; full recent terms. Ewes hard to cash, unless young and fresh; fair trade. All round, trade did not run as smoothly as last week, though best pens held their own, with a fair, good clearance. Fat middle weight, 80s. to 95s.; second run, 65s. to 78s.; ewes, best, 85s. to 90s.; second run, 60s. to 70s.; hoggets, 40s. to 57s.—Wm. B. Fitt and Co., Auctioneers.

THE PADDOCKS, LIMERICK. WEEKLY DAIRY MARKET.

Tuesday, March 3rd:—There was a substantial increase in supplies; the entry included a number of high grade as well as useful and promising heifers, so that the big and representative attendance had the right stamp to choose from. Business opened with marked activity and enquiry, with a readiness of buyers to invest; prices ruled on the higher level; last week's top rates easily maintained, and in the case of a really choice heifer of true type for milking were exceeded. Biddings all round showed cohesion and stability, buyers being willing to part top values for the right stamp, so that trade was sharp and quick, winding up the day with a good sell up, only six passing unsold through the "ring." Mr. M. Power, for the second time in succession, gained premier place for the highest price at the sale for an exceptionally high class heifer of true dairy type, which realised, after keen competition, £39, also obtaining for two other really choice heifers £38 10s. and £37. Choice heifers, £30 to £39; promising, £25 to £28 10s.; ordinary, £18 to £24. Dairy cows a steady and firm trade; choice and promising cows looked for; active enquiry in this department for the right stamp. Mr. John Healy, Ballintlea, Cratloe, topped the market at £30 10s. Dairy cows, best, £25 10s. to £30 10s.; promising, £20 to £22 10s.; ordinary, £15 10s. to £19 15s.—Wm. B. Fitt and Co., Auctioneers.

CATTLE MARKETS, MULGRAVE STREET, LIMERICK.

Weekly Market, Saturday, February 28th—Dairy cows and in-calf heifers, entry not as heavy as last market; good cows and heifers in demand, especially the former. Mr. P. Madden obtained top price of the market at £32 15s. for a calved cow. Nearly all lots sold. Dairy cows and in-calf heifers, best, £24 to £32 15s.; second run, £20 5s. to £23 5s.; others, £16 10s. to £19. Stores—Entry comprised a mixed description of young stores, for which trade was quiet, business in this department being affected by the inclement weather; fair clearance. Two year old bullocks and heifers, best, £12 12s. 6d. to £13 10s.; second run £9 10s. to £11. Calves—Best, £7 to £8 15s.; second run, £6 to £6 15s.—Louis de Courcy, Auctioneer.
